## Acrobatic and house building holidays in Hungary

With daily acrobatic lessons and training of a very experienced trainer

*I have an old farm with a patch of land on a beautiful place in Hungary. Although very much is achieved already, there is a lot of work to do in house and 'garden'. So I need many hands to make something beautiful out of it. That is why I invite you again to have a nice time with work in the morning and acrobatics in afternoon and evening and meals and....*

**When?** August 18<sup>th</sup> (arrive 17<sup>th</sup>) till 28<sup>th</sup> (end of work 27<sup>th</sup>) No work on sunday; the other days work in the morning till 14.00h, acrobatic lessons and training from 16.30h-20.30h

**Where?** In MIKOFALVA. It is a village of 850 people, about 22 kilometres north of Eger. 130 kilometres E.N.E. of Budapest

**Costs?** besides travelling costs, I have to ask you 5 euro p/d for food and wine etc. I'm sorry that I cannot afford it to do it totally for free.

*Already more then 70 acrobatic people of 7 countries and all levels joined in the summers of '04, '05, '07 and '08.*

*It was great.*

If you think this low budget holidays is interesting for you (no matter if you're absolute beginner or acrobat with years of experience), please **mail** me on

contact.teambuilding@planet.nl or **call** me 0031(0)653642880

Then I can give you more information

*You can find some pictures on [www.contact-teambuilding.nl](http://www.contact-teambuilding.nl), then go to Mikófalva Hongarije..*

I look forward to your reactions and to an active holiday in Hungary with a lot of acrobats

Best regards,
