# Talk:Club Penguin Wiki

## From Walrus Wiki

Lets attack again today, it generates epic lulz 'cause that place is a gathering of geeky [REDACTED]. This also generates a lot of traffic and lulz. Plonk 13:36, 16 May 2009 (UTC)

Don't they get that by locking the wiki, they're letting us win? Plonk 20:16, 17 May 2009 (UTC)

Of course they don't, they are total retards incapable of admitting defeat =P - Walrus0101

What do you expect from idiots? --Joe 20:17, 17 May 2009 (UTC)

## They think its over

Quoting from the Main Page of Club Penguin Wikia "The Walrus attacks have been declared over! WE WON!". The fat nerds think we're gonna stop. Mu5hyr00m

We aren't stupid - of course we expect you too. Vandals don't just stop. I used to be a Vandal too you know. Why don't you get a life, really? We just keep making new accounts and we will just keep blocking you.

### Russian One

Well, the CPW is so unstable that it's almost destroyed without the help of vandals. Since TurtleShroom resigned (that's right: he RESIGNED), the two new Webmasters known as Sharkbate and Hat Pop have taken over. EPIC FAIL. If you thought TS was a bad leader, check out these two =P. I bet that within a week of another raid, the CPW would likely be eradicated =D Mu5hyr00m 04:21, 25 July 2009 (EDT)

YOUR WIKI-POST TASTES OF FAIL! -Prenfro. Don't come on here and act like you know [REDACTED], because you don't.

## Fanon wiki

theres a club penguin fan fiction wiki thats infact worse then the CPW, Turtlesroom is there too were he can freely block American Democrats and catholics, Exept now he has a secret gay [REDACTED] named Explorer767 who obeys his master with all his heart!!!, Infact the entire wiki is based around worshipping the two boyfriends so thy can [REDACTED] themselves on other wikis, always leadeing to epic fail.
