

## INTERNAL USE ONLY

Title: Darksiders IV (WIP)

Developer: Vigil Games

Genre: Coop FPS

Game Modes: Online Multiplayer, Battle Royale

Short Description: After feeding on souls for millennia, Vulgrim sets his diabolical plan in motion. In an attempt to get revenge on Heaven, Hell and the Charred Council, the demon merchant attacks Earth and kills Strife who was protecting his siblings. Play as one of the three remaining Horsemen of the Apocalypse on their quest to avenge their brother and save the universe.

Key Features:

- Story:
  - o Play online with friends
  - o Use Strife's guns to avenge your brother
  - o As Fury, ride Strife's horse to become a Horseman once again
  - o Track down Vulgrim and make him pay
- BR:
  - o Fight in the Battle of Armageddon
  - o Play as one of 100 angels or demons (1000 on Stadia)
  - o With the Apocalypse closing in, survive to see the Rapture
