Unto the populace of Chuzan

Greetings from Borgar, your new canton marshall.

Let it be known that fighter practices will now be held at 1400-1600 on Camp Lester. Also, we will be working on armor at 1300-400 same site.

It has been requested and granted that henceforth, the 4th Sunday of each month the Canton will hold fighter authorization for all who wish. Also, the first Sunday of each month, the fighters will roam the island for practice. The first Sunday in December will be at Camp Hansen.

Your servant,
Borgar

ATTENTION: The Canton is considering purchasing a pavilion, the smallest of which would cost \$200. Please decide if this is something you want the Canton to do and please come to the December business meeting, prepared to give your input.

EVENT ANNOUNCEMENT

Time once again for the biggest celebration of the year-Twelfth Night! We are planning an overnight camping weekend out at site 3510. We invite all of our fighters to take the field Saturday afternoon to compete. There will be an amazing German-theme Feast that evening, followed by a Bardic Circle (so practice your best songs, stories, poems and musical pieces) and the Revel to End All Revels! There have even been rumors of cloved fruit.. We are also planning, fair gentles, on serving brunch the following morning to those not too far gone to partake. We are asking a fee of \$12 for adults (includes both meals) and \$6 for those under 10. If you have any questions, or need to see an ingredients list in case of allergies or dietary problems, please contact either the Auotcrat, Katerina von den Kriege (Stephanie Anderson) 633-7397, or the Feastocrat, Bozhena the Feckless (Whitney Sprague) 965-4584. We may even have a Best Garb contest, so please wear your courtly finest!

AD: Wulf (Steven Carter) is selling his acoustic/electric roundback 6-string guitar w/hard case and tuner for \$350. Call 634-8004 from 0600-1400 or 634-3338 after 1430.

VERSES by Anastasia

The following is sung to the tune of 'Camptown Ladies sing this song'

Canton Herald read this scroll

Huzzah - Huzzah

Read it to the populace

of our fair Chuzan

Read it to us now; Read it right away

Canton Herald read this scroll

Oh...Huzzah - Huzzah

More verses are to follow next issue to the tune of ??? (can anyone guess what's next?)

To the Canton of Chuzan,

I wish to make known that I have not gone to the great unknown, nor have I left the field of battle. My armour and sword are ready with but a moments notice. I have been under the command of another Lord who has tasked me beyond the limits of words.

To Lord Sabatino De Galantea I extend another, personal hand as he asked for my assistance and I appear to have let him down. I did not abandon you when needed and the information I did give you was of limited value to be sure. I would be honored to meet with you and if still in need of my assistance, I would give all I can.

Although I still have much to do, I can now feel the "end of the tunnel" which will allow me to fulfill my obligations which Lord Hanashi has asked of me when he sent me to this Canton. I have much to do before my return to his domain.

I dwell in a new castle at this time and can be reached using the same address but a new speaking device has been assigned to me with numbers different from the old. They are: 645-5348. I am to be available in the near future and look forward to seeing those who I met earlier, as well as those who are new to the Canton. If I may be allowed to return to the field of battle with which I last departed, I would be honored!

It will take me until the wind is cool and the sun a little kinder but I will be there.

"BUSHI NO NAOTSUKE"

"With the tenderness of a Warrior"

Hanashi no Koderu Kaijin no Wani

Handwritten signature in Japanese characters, reading from top to bottom: 侍 (Samurai), 化 (Kai), 四 (Shi), の (no), 漢 (Kan), 子 (ji), 守 (shu), 郎 (ro).

BIRTHDAYS FOR NOVEMBER

The Chuzan Blues wishes a Happy Birthday to the following of the populace on their birthday this month:

Valenia (Kristy Allen)

If we missed your birthday, please inform us. If we are not told when it is, then we cannot print it. Speaking of birthdays, let us all wish his excellency, Baron Christoforo, a Happy Birthday this month.

Greetings once more to the populace of Chuzan. I warned everyone that if I did not receive submissions I would use my own creativity. Thus, Verses by Anastasia are back. Did you enjoy the one this issue? Next month will be even better. I do not have much to say this time (since when has that stopped me before) so I will try to keep this short.

There are a number of our populace that have either disappeared without informing anyone, changed their minds about us (again, without informing anyone) or are unsure whether or not they wish to become involved. Their names are marked with a star on the phone list. If you know any of them, please do me a favor and contact them and also call me on the phone (leave a message if necessary). I need to know if they are still here and if I should still keep them on the phone list. If I do not here from anyone, their cards will be pulled from my file and placed in a dormant status. If I am contacted, the card will be replaced. If not, the circular file will receive it. Thank you all for helping me in this matter.

Please inform me of any mistakes made (for which I give my appologies) and of any necessary changes or updates needed. Please welcome to the staff of the Blues - Belinda. Deadline for the next issue is 6 Dec (the business meeting) - sooner if possible.

forever to the dream of the SCA,
Anastasia Vladimirovna
