KEY NOTES by Lord David

During April, the Okinawa Shakespearean Theatre will be presenting Taming of the Shrew. All S.C.A. members are invited to participate-- as townspeople, swordfighting, garb-making, or whatever you feel you can do!

Membership lists are now available with Address/Phone information, plus awards, memberships, etc. The giving of awards is based on what we think you already have, so be sure our information is correct.

The Palatine Barony of the Far West is working toward becoming a crown principality. That means 100 paid members. So we desperately need your membership information! ...And if you're not a member--now's the time!!!

NOTES FROM THE CHRONICLER:

First, I would like to thank Baroness Chryse and Lord Simon for loaning me the use of their computer on which this issue was made.

Early this July, I will be permanently leaving our fair Canton. As a result, after the June XXVII issue, I will not be able to be the Canton's chronicler any more. I would be glad to find out who may be interested in taking over for me at that time. If you are interested, please contact either Lord David or myself.

Finally, the next (April XXVI) issue is going to be the quarterly big one. Please feel free to submit articles, comic strips, ads, or whatever. I will be accepting submissions from now until April 18th.
