Greetings to the populace of Chuzan. I would like to take the time to welcome and thank both Amanda & Damian (mundanely, the Hendersons) for volunteering to be my deputies. Since it is getting close to my due date, they will most likely print at least February's issue and maybe even March's issue while I am recovering. Speaking of the next issue, the deadline for the February Blues is 7 February.

This will be a fairly small issue due to a lack of submissions. There is, however, important information concerning Twelfth Night that everyone should read. If anyone notices any mistakes in the phone list (typos or otherwise) please inform me.

Always in service,  
Anastasia Vladimirovna

#### FOR NOW AND EVERMORE

To arms, to arms the clarion call rings true. From shadows of dragons dreams shall they fall in a sky of midnight blue.

Race to the chase, good lords and squires; afore the burned and blackened spires.

Sword drawn high o'er banners unfurled. And to the four winds damned souls to be hurled.

With slow advance the darkness doth claim from flights of reavers their dark lords domain.

With fearsome cry, one last shout shall I ride. For house, for clan 'gainst wicked blade again to my lords side.

The stars, the sky, the ever darkening moon. And though my life be lost, the battle be won not soon.

To arms! To arms! Nights battle doth rage no more but ablaze in memory for now and evermore.

Aorth Flynn - Chuzan Bard
