"The North vs. The South as They Meet Once More Again."

-The History of All the Times-

--The Greatest Battle of All the times--

An unrevealed truth of a story of Pierre Garrison is:

Pierre actually has made time to get married with his new wife, Zavapeia when he has looked upon her eyes as a distraction while he is body switching by Pierce. Then Pierce has experienced the life of Pierre differently as he is shocked to see a horrible person in his brother to his girlfriend. And Pierre ends up finding out he is trapped inside of Pierce's body as he learns that Pierce starts giving up, withering, and dying and sees through a good heart inside of his brother unlikely him.

Pierce inside of a body of Pierre Garrison joins the Sunblacers as naming himself a name--Nitro by giving him a honor to carry on. He could not explain to Sunblades that a body switch story and a brother's revengeful fight story as he can say a simple word to her that Pierre is married to Zavapeia. He promises Zeia, the Garrison family, and the Sunblacers unlikely Pierre. He rebuilds what Pierre had destroyed the relationship with everyone and starts to show them that he is there for them. This gives Pierre a lot of anger at his brother to know the deepest, darkest secret of him. Pierre is stealing Marie LeRema from the party while Marie Garrison tells him that you are history and finished for once and all and asks him exactly what are you two doing on a mission? Pierre finds some things odd to hear from the sides of his own daughters and sons talking angry and bad about their self-righteous father. He wants to give Pierce a nice and peaceful life as long as his brother must not give up. He has no choice in betraying himself and flirts with Marie LeRema.

A TWIN BROTHER OF THE STARS IS DIVIDING AND FIGHTING
EACH OTHER OVER MANY THINGS UNTIL THE END THEY
REALIZE EACH OTHER'S FATES

---A BROTHER FROM THE NORTH---

EVIL HEART OF ALL. GOOD MIND OF ALL.

---A BROTHER FROM THE SOUTH---

GOOD HEART OF ALL.

EVIL MIND OF ALL.

Pierre is from the south and Pierce is from the north.

AFTER THAT, GALAX GIVES NITRO A SURPRISE AND SHOCK AS WELL AND HITS NITRO HARD FOR GIVING HIM A HELL LIFE TO FIGHT FOR HIS LIFE TO MAKE HIS BROTHER A FAITH FOR NOT GIVING UP ON HIS LIFE ANYMORE. HE TELLS HIS BROTHER THAT HIS BROTHER WILL THANK HIM FOR THIS. HIS BROTHER ASKS HIM, "WHAT IS IT? WHAT IS THIS THAT I THANK YOU FOR?" HE TELLS PIERCE THAT HE NOW KNOWS HOW TO BODY SWITCH WITH A REVENGE LIKE HIS BROTHER DID TO HIM.

Zavapeia has returned to Pierre as she tells him a thank you when he returns back to his own body and is not sure what she means.

As Pierre learns a double lessons to face his fate and is found by a mystery person, the one who saw him planning to wither and die a very slowly death, another mystery person slaps his face by telling him that you give up on us. Pierre asks them, "who...?" But another mystery person calls him a honey by addressing him as her boyfriend, fiance, or husband and a mystery person calls him a dad by addressing him as his father. He is getting confused at how fast "we" did it.

Pierre asks Zeia, "What is this? Im not...." Zeia says, "You started sounding like old back again?!" Sunglades handshakes Pierre by scaring Pierre the hell out of his life and is getting hitted and blown away by Pierre. Sunny asks, "What?! You hitted and blew my sister away so far?" Suno says, "Why ,all of a sudden, changes you something that you are not nice?" Zeia says, "Stop it! Who exactly were you back there? Are you sure you are Pierre?"

As Sunny asks Zeia, "What are you talking about? He is Pierre for a Phoenixican's sake!"

Pierre suffocates himself in trying to tell them that he is suffocating by his brother.

Hitting Sunglades a death blow by preventing her from being blown forever, she crashes into the Zemo facility.

Spider Lady asks what is going, on?!? Looking upon a face of Zeia, Zeia is very angry, hits Pierre, lashes out at Pierce and hits him with her star generating. Spider-Lady asks, "Zavapeia, are you okay? What the hell?" Pierre is in a deep shock to hear a missing daughter's voice.

Vortex has shown her dark side by giving Pierre a taste of a vortex for what he did it again! First Garrison Garrison. Second Star Jagers. Third Zemo! I can not be like this anymore.

Spider-Lady tells Vortex, "I, Anita Garrison, your missing sister, is found and here."

Pierre says, "Anita....You..."

Zeia asks, "What does Anita do? Why are you looking at her like that?"

Pierre says, "We just found our missing daughter for years before Vortex."

As Spider-Lady stops Vortex from leaving her family again and tells her that her sister is back and it is her.

Latic hits Galax by telling him you are destroying our lives and tells him what did you do to Viren?!? Latic slams a massive force by pushing Galax out and making it an explosion that has exploded Galax.

Vortex says, "We must do, something about my brother!"

Hot Rod blasts at Pierre a very hot element and metal. He tells him you left my girlfriend a long time ago and you left her again. Why now? Fine by me. You are not going anywhere.

Zenon rushes toward Hot Rod and pushes him out of the way before something happens. As she says look out!

Pierre is getting hit by a massive amount of energy and element coming all the way far away from the Earth to the space.

"Tyler...??"

"You are alive?"

"It can not be!"

"My baby brother! You bastard!"

"What have you done to my son again? You left him twice?"

"What did I miss something? My son? Tyler?! I thought you were dead? You are not real! All of you are not real! Where am I now, Pierce?!?"

Ghent blasted Nitro into nothing as Galax says, “Nooo!” Viren shows up and shoots Galax in the head as Nautica. “Who are you killing my father???”

Everyone hears someone saying about his dad as they know Latic from the past. Now what is Latic’s secret and connection with the Star Daggers?

“Who are you killing my father, killer?!”

“Galax is a dad?!”

“Galax? Who the hell is he?”

“My god! My uncle? He died?”

“My dad and uncle die at same time at same day? Weird, isnt it?”

As the Zemo tries to catch a killer, Sunglades says, “Nautica?!? Why kills someone?”

Latic wants to kill Nautica right now. Yogalarua stops him and pisses him off. She tells him a minute to listen. He tells her the hell with you! She says that killer is your mother.

Before that happened, Yogaparus told Spider-Lady and Zeia what happened between Viren and Galax. Zeia suddenly learns the truth about her husband cheats on her. Viren can not shake the feelings when Zeia made an announcement--a missing member and ally--Marie LeRema. Viren smashed the stage into pieces and told Zeia to stop stalking her for the good grace star’s sake. Zeia asks Viren, “What are you talking about?” now they capture nautica as they ready to do something about her. She surrenders and unmask her mask, revealing that she is Viren and unmask her another mask, nothing more than Marie LeRema!!!

“Marie LeRema? My Nautica? Your Viren? You ve no idea that was her all along all the times?!”

“Marie? LeRema? It does not ring any bell at all to me.”

“Nautica?!? I thought she was...Ingrid? Omg! I kissed the wrong girl!”

“Mom....? You just.... You never do that before... You killed my dad.”

“I did not kill my husband. I torment him with a deadly lethal force of mind feedback! You alright, baby?” Viren says.

Something happens as two appear each other as Zeia told the Zemo to evacuate and containmate them seperately. “Pierre!!! Pierce!!! Enough with that!

Pierre tells Zeia to grow the hell up and be stupid far enough to be a naive not to know what Pierce did to him!

Pierce says, “Excuse me, moron! How long did we miss?”

Pierre says, “You had sex with Marie all before! You traitor!”

Zeia says, “What exactly does it do with me?”

Pierce says Pierre is against the Zemo, Sunglades, and Star Jagers.

Zeia says calm down both,of you.

A north and south meets. A fight. See what happened of whats left of the North Dakota and South Dakota?
