

The Wars of the Birds

There are a lot of problems among the birds.

1. Bird of Paradise

-A palace of the Bird Paradise-

Lori Keets is a chancellor of the bird universe. She is the youngest girl who should not take a place or position to control but she has no choice to do it in an order to protect the law of birds in which she should not be a young to become a job. Phoenix appoints Lori Keets a new job of a chancellor of a deep jungle and rainforest paradise in which contains the race of Bird of Paradise. Lori is the last generation of the Bird of Paradise and most of them are dead. Some are alive.

2. Songbirds

-The singing dreamland of songbirds-

Birdsong is a chancellor of the singing dreamland and a fighter who rebels against those who opposed her. She is a troubled songstress who has trouble understandings of the existences of terrors through a legend including sirens, harpies, and banshees. She keeps the treaty for songbirds to live in the singing dreamlands only and warns any birds if they cross a line and they will die from the deadliest annoying and singing voice of songbirds. She threatens Lori a few times that there are deadly big serpents lurking in Lori's paradises and they are her enemy period.

3. Bobolinks

-The hidden and disguise place of Bobolinks-

Bobolinks is not a chancellor. She is the hunted hunter and mistress of disguises. She saves too many races and places from the dangers and rulers. She made the alliance for those who made an ally with Bird of Paradise in which she is not aware of.

She has left the mantle of the Bobolinks. No one replaces Bobolinks. No one is allowed to be a next or new Bobolinks. She is chosen one without any explanation why she received the powers of Bobolinks. She terminated the contract in which she is no longer Bobolinks and not getting any power of Bobolinks.

She leaves it to those who took and protected the place well.

She is Robin DeWitts.

4. Bird of Preys

The Sanctuary of the Bird of Preys

Eagle is a leader of the Bird of Preys and is not a chancellor. He only lives in the Golden Washington. He secretly is nothing more than a true Griffin. He is used to guard the gates and lost the homes in the past. He protects himself and can fight for his life. He is known as the one of these powerful legends of force in which is humbly called the Guardian Forces. He keeps the Owl and protects the Owl. He wish nothing from birds but birds must not touch any land in the Golden Washington. If they did, they must be sent to an arena and proven worthy and powerful to become a true Bird of Prey.

5. Owl

The deep forest of The Demopolis

The Owl is a race of Demopolis like Pink Bunny.

The Owl is protected from being caught, being recognized, or exposed to become known its name to anyone by the race of Demopolis.

Owl of Demopolis and Owl of Bird of Prey are not same people.

6. Cardinal

Shay is a Cardinal. She is not there when the wars of the birds. Who is a Cardinal during the Wars of the Birds?

Pyrrhuloxia is linked with Cardinal. He is no more friend with Cardinal.

Clark Nuttall aka Jay is not charged as a guilty for killing the hatchlings due to what Lori has to say.

This Clark Nuttall has gone by a several names. But that is not Jay.

There is still a Jay. This one seems to be close with Vampire Finch, Crow, Rook, Thunderbird, Terror Bird, Raven, Magpie, and Phenix.

Hummingbird discovers that Lori resides in the side of a flower and reminds her that Clark Nuttall is not a killer. He thinks Jay might be a Nightjar, Nighthawk, and Black Vulture. Lori says three do not have what Jay has. He adds that Jay is feeding on the dark just like Crow.

Condor stops Lori, telling her that is Jay there when there are 20 birds.
