- Copycat and Morphy Black Cat

The Gan

- The team protects the Pata Nation and lives in the Pata Nation somewhere in a secret and hidden dimension through the Badlands. Aurochs, MedU.S.A., Primo, Strider, and Vane are the warriors of the Pata Nation.

The Gan II

- King Theophilus secretly leads the group against the Zemo. He gives Prince Thesaurus a leadership position of the team--The Gan. Thesaurus leads the group--Death Thunderbird Lady, Levanie, and Shay

The Terra Force

- Terra Firma and Geo Force leads the team and battles each other over the leadership position of the team against the Zemo.

The Polis

- Espio leads a governed team. Armo, Cy, Espio, and Syche are the members of the Polis.

The Demopolis

- Cloud

The Demo

- Cloud

The Michy

- Dina leads the deadly warrior tribe while she is believed m.i.a. by the Zemo.

The Igan

- Dina encounters the young girl warrior named Alessandra of Igan tribe, the next generation of Michy tribe.

The Lennox Legacy

- Discovering upon that the Agent Lemon is Europe's most wanted in a broadcasting television, the European agency nuked the Lennox Residence by making sure of that Agent Lemon and his family are all dead and buried the secrets. The Lennox family survive escaping from the

destroyed Lennox Residence and meet their father, John. John leads the group of family to fight all the agents through the deep secret underground base somewhere in London, England.

The Hanna

- Cleodrina leads the team by opposing the Polis, revealing the programs are not destroyed since the explosion in the faculty at the property of T.S.A.

The Zemo World

- 54 people with powers who learnt of the fates of the future of the Zemo and honored the Zemo in joining the Zemo World whether they can find what's left of the Zemo or not. They found out the 234 deaths of heroes and heroines are true and put the memorial for each hero.

Organizationaire

- Director Justine Ethan destroys the U.S. government ageamd's secret programs in protecting the Zemo and makes a public announcement to a president that a president declared a war on the Zemo and sent the secret agency to kill the Zemo.

The Zation

- Director Jennifer Corley controls the U.N. World government operation by demanding the people with powers to register a registration for the safety only and protecting them from being exterminated by the world's governmental systems.

The Star Jagers

- Captain Garrison leads the team and controls the mothership and resides in a Space Star Station. Galax, Ghent, Hot Rod, Latic, Nitro, Viren, Yogalarus, and Zeia.

The Fiery Star Watchers

The Storm Troop Watch/The Strom Troops

- Soldier leads the militia armada.

The S.U.P.E.R.

- Finafty leads the secret covert operation.

The O.E.A.U.I.

- Star Litz leads the group of fighters.

The M.A.S.E.

- Bergyle leads a young group in expertising and advancing technology.

Florentine Tilley, P.I.

- A mystery female private investigator has been developing an investigation of the Secret Scientific Chemical Laboratory and the Zemo.

The Calibre

- Doctor Clark Martin leads the team as a private and hides it from the world and runs the dangerously antromorphic robot program for testing if they can stop the people with powers.

The Calibur

- Drs. Alfriends leads the team while she is looking for the wife of Doctor Martin.

The O.U.W.O.

- After the post-Strangers War, a mystery team is formed. There is no Zemo at this time. Officially United World Order.

The Crusaders

- Psych leads a team

The Defenders

- Rex leads a team
