

ARMSTRONG™

An alpha boy is surrounded by the girls on the same team: The Original Xiamen. The first young male student of Gen, Xiayou, and Xeno who faces the worst times.

A current leader of the Vivacious Xiamen who faces the dangerous materialism Matrix Covenant and almost dies at the hand of the Matrix Covenant, but is met by a new friend who will become a future pupil of Armstrong.

Before all that, Glory bears the witness of Tachot and Armstrong during their ugly fight. He left Tachot and Glory to live his normal life.

During the broadcasting news declaring that Armstrong died by the Matrix, Glory is confused by this and Tachot begins to feel broken by that. In fact, Armstrong fled from the Matrix and did not die yet.

Now he leads a band of the new team--The Vivacious Xiamen in an honouring of the original Xiamen tribune with his heart.

He accepts a new life to have new friends with a new purpose to serve for a meaningfulness of his new life.

Before all that, Tachot and Armstrong formed a team--Armstrong and Tachot's Xiamen. Everything changed their lives after all. He knew what went wrong with a relationship between him and Tachot. He bluntly told her that she is not the girl who he knew anymore. She did not even remember him at all after her death. He erased everything and needed to move on yet to come.

Now, he finally moves on with a new team--The Virulent Xiamen. He finds out he is happy and himself.

Then...Psychic wanted to fight Strong Boy and he turned down a fight. Psychic had said the unforgivable words by making Strong Boy angry. Strong Boy hit

Psychic and missed her. Psychic defeated him, but hurted her feelings. She had left.

Now... Psi Girl faces the Virulent Xiamen and meets them. Armstrong asks Psi Girl, "What do you want?" Tosaku warns Armstrong and Psi Girl by showing a paper of his foreseen of what happens next when Psi Girl amd Armstrong want a fight. Psi Girl tells Armstrong that is not worth a fight and informs him that Tosaku is telling the truth about his foreseen drawings of what would happen next.

Then...
