

The **DEMOLATION**

The Zemo has heard a name of the team but no one mentions or speaks about it.

They are collecting the lost books and tablets to learn that myth becomes true story about the existence of the ancient team of the Earth.

They need to know what they are, who they are of the Demolation, and what it is.

Until they find the Demolation's headquarters and secret safety places.

The Demolation membership list:

1. Chet
2. Chez
3. Gazelle
4. Mule
5. Snake
6. Sunblazes
7. Sunflames

They are believed dead for many years in protecting their identity from their few arch nemesis: the Annihilators, the Destroyers, the Demolishers, the Doom Seekers, the Doomslayers, the Eliminators, the Eradicators, the Erasers, the Exterminators, the Finish Offers, Obliterators, the Terminators, and the Wiper Outers.

They also are mentioned in the legend.

They are fighting against a queen of the mystic domain and the mystic monarch royalty club.
