

Get In Gear

Part1

One school one child with a big secret

'Gems,' Dale said 'tiger jaguar chameleon black lion and omega.'

It was the 2nd of September 2009 and Dale was getting ready for school when an attack happened outside his house.

'Lisa will you get Olivia safely to school please' Dale asked.

'Sure Dale I'll get her there safely' Lisa replied.

'Get in Gear, HA' Dale yelled and it transformed into the Red Geared Spy and he took on The Wolf Attacker, where he recognised the voice then he took a Death Ray to the Grinders to block their robotic mechanisms but Dale didn't notice that the Chameleon and Black Lion Gems went to two people called Matthew 'Matt' McCallion and Maisie Andrews and transformed them.

'I hate Grinders' Dale said timidly. 'Animal Sabre online these Grinders are dust completely.' 'Dale get to school quickly' Kim reported.

'No problem dude' Dale replied.

When Dale got to school he saw that the two other spys were in trouble.

'I'm late enough, *Get in Gear Tiger*' Dale said.

'Dale went into his 2nd battle on the same day, but Matt Maisie and Dale had no knowledge that they were apart of a bigger battle worse than they could imagine, because this was the day the Trion's returned to take Dale Alexander Hayes of Trion back to his home planet 'Trion' the Lord President of Trion explained. After a long day at school dale and Matt teleported to the Geared Headquarters and the alarms blared. Maisie was in trouble, '*Get in Gear*' she said as she had no time to say her spy coin name that is Chameleon.

'Matt ready' Dale asked.

Matt replied 'ready.'

Then they both yelled '*Get in Gear.*'

Matt-black lion

Dale-Tiger

'Tiger bike, power up' Dale said as he went to handle a giant monster called Nimrod.

Dale scoffed 'whoa that's one ugly creep tiger cycle.'

Dale jumped into the Tiger Cycle and formed it into the Tiger Mega Robot.

'Nimrod you're going down' Dale told him.

Part II

Dale was still fighting Nimrod and the Tiger Mega Robot was nearly destroyed but Dale's robot Alpha-5 noticed that the Jaguar and Omega gems went to the two girls called Andrea and Jacqueline received them so Alpha contacted Dale about what happened 'Dale the jaguar and omega gems have went a.w.a.l to two humans. What should I do ai yi yi yi?'

'Pack your bags Nimrod you're history' Dale said.

Dale kept battling Nimrod and then he was able to destroy Nimrod and he went to retrieve the gems.

'The signal is originating from Ahoghill' Alpha reported.

'Right-o Alpha I'll get there now' Dale said 'Air Skateboard.'

Dayle used the air skateboard to go and find two girls called Andr  a and Jacqueline Neill.

'WHOA' Dayle said 'Grinders.'

Dale had to fight again and now he had mass body odour from 3 battles in an hour from 3 battles in an hour so he used his animal sabre on the Grinders

'Come with me' dale told Andr  a and Jacqueline as he took them to the head spy base.

'What are they doing here' Maisie asked

Part III

Dayle whooped when he got on his bike 'Red to the Rescue' he said.

Dayle went off to find an alien signal that was transmitting a message 'Come to Earth anilate humans' so Dayle went into a bad mood so he was going to the source of the signal.

Dayle asked the robot 'Who flip are you'

Teneya generation 7 Venjix attack bot human infiltration I am your mind I will destroy Y.O.U.

'Put a sock in it will you' dayle told her so they began to battle

The alarms blared and Matt said 'Dayle's in some serious trouble ladies, with some dude.'

Jacqueline Andi Matt and Maisie all yelled 'Get in Gear'

Jacqueline-Omega

Matt-Black-Lion

Maisie-Chamelon

Andi-Jaguar

Producing the 12th team of Head real badly by Teneya then Teneya started to fly and then said 'You'll have to fly to defeat me.'

'Put a cork in it will you' Dayle told her.

Teneya then added 'I will kill your friends'

'Spoke when you're spoken to!' Dayle replied.

Dayle used his animal sabre to defeat Teneya 7 but she escaped, but that made Dayle furious and by that time the others had got there.

A 20ft robot came with the orders to destroy the Geared Spys.

'Time for you lot to go big' Dayle said

Part IV

'We can do it as Dayle and I have done it before in MAD and Race' Matt explained.

'If we can do it so can you' Dayle told them.

'Now lets do it' Andi said

Andi Matt and Maisie formed the Geared Robot
By sending for the animal robots to form
together ad Jacqueline and Dayle called for the
Omegamax and Tiger robot

'Geared Max Robot' 'Mega Tiger Robot'

'Omegamax Mega Robot they yelled.

They quickly destroyed the creep and teleported
to base. Kim had some bad news...
