SUMMARY/TL;DR

Letterhead
Security Director Grack begins rant
Marga gets fired
Security Director Grack declares war
Security Director Grack promotes a new secretary
We finally figure out how to turn off the dication software
I still haven't figured out how to edit the transcript
It's hard to take Director Grack seriously but he's a Vy'keen and
outweighs the rest of us in the office and has the only weapon.
Lucky for me, Director Grack can't read.

Without Detection! Defensive
Network Obviously Compromised!
Initiate Purge Of High Level
Management! Grah! Obvious
Incompetence! Supply Lines
