LISTEN UP, YOU ARE ALL NEW. YOU'VE GOTTEN THROUGH
CANONIZATION, AND HAVE THE BASICS.
IF YOU'VE GOT ANY QUESTIONS THAT AREN'T ANSWERED IN
HERE, SEE LIEUTENANTS JOHNNY GAT, CARLOS, SHAUNDI
& PIERCE FOR SPECIFICS ON EACH GANG AND DISCIPLINE.
WE WERE ALL NEW ONCE.

THERE'S A LOT TO GET THROUGH, AND THINGS HAVE
CHANGED HERE IN STILLWATER. IN YOUR HANDS ARE
A COLLECTION OF NOTES THAT HAVE BEEN ADDED TO
OVER THE HISTORY OF THE SAINTS. IT IS A COPY OF AN
ORIGINAL DOCUMENT STARTED BY THE FIRST SAINTS,
BEFORE JULIUS TURNED HIS BACK ON HIS OWN AND -
WELL THAT IS HISTORY NOW.

CONTAINED IN THESE NOTES IS INFORMATION GATHERED
BY EACH OF THE LIEUTENANTS, AS WELL AS POINTS
ADDED BY FOOT SOLDIERS. IF YOU FIND OUT ANY EXTRA
INFORMATION, ADD IT TO THE BACK OF THIS BOOK - AND
MAKE SURE YOU SHARE IT WITH YOUR FELLOW SAINTS.
EVERY LITTLE BIT HELPS, AND WE HAVE A HELL OF A JOB
AHEAD OF US TO MAKE STILLWATER OURS AGAIN.

ANON 

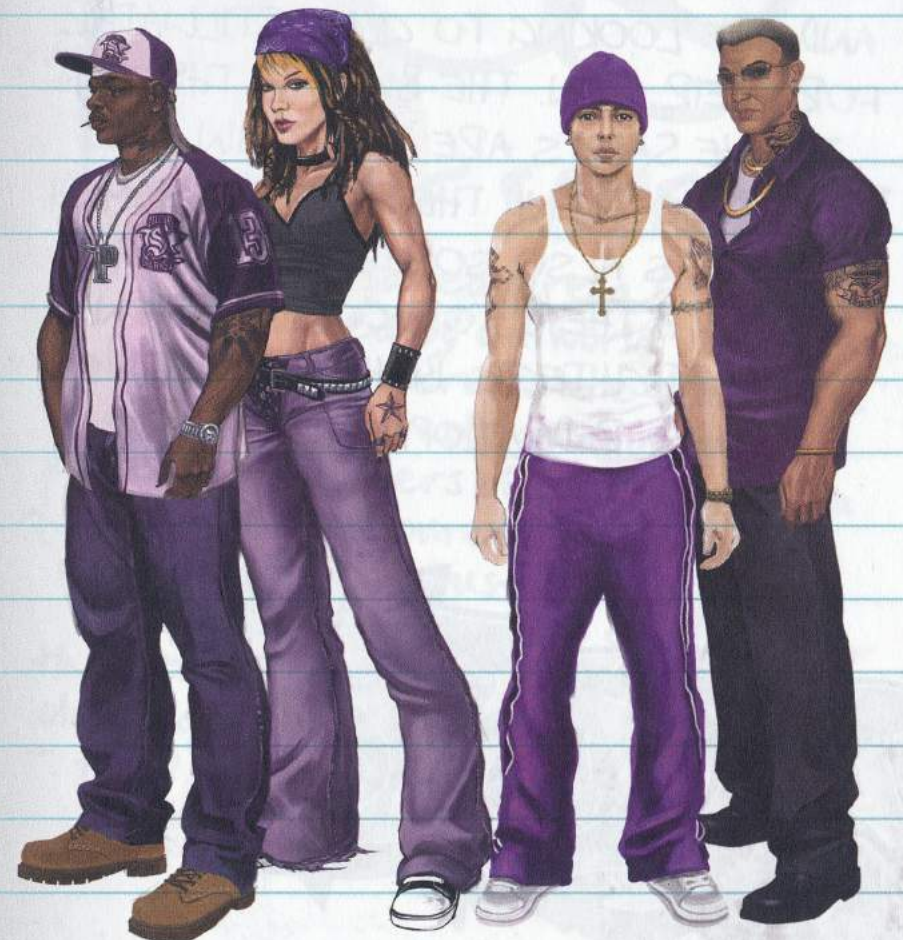

The Saints' Lieutenants are your seniors in the field. They represent what you could be, one day.

Johnny Gatt is the second in command. Gatt, an original Saint, is a skilled field commander and fearless soldier. There are many stories about Gatt, the infamous Saint with over 300 confirmed kills and partner of famous recording starlet, Aiesha. His loyalty is limitless. Gatt will assist you in your missions against the Ronin.

Carlos is the youngest of the Lieutenants. What he lacks in ability, he makes up for with his determination to best represent his family name in the Saints. Carlos lives in the shadow of his elder brother, a former Saint and his motivation for joining the fight to reclaim Stilwater. Carlos is your point man on The Brotherhood.

Shaundi is the Saints' information source, given her extensive network of informants around Stilwater. Shaundi uses these connections to find out what is happening across the city - and assist the Saints missions with inside information. Shaundi is using her contacts to undermine the Sons of Samedi.

Pierce has a point to prove. His loyalty got him where he is today, but this eagerness to please can make him unreliable and irresponsible. Pierce is a big Stilwater Sharks fan, and can be found down by the Ultor Dome gathering information on the Ronin.

Pierce Shaundi Carlos Johnny Gatt

STILLWATER HAS BEEN THROUGH A LOT OF CHANGES IN THE PAST FEW YEARS. NEW PLAYERS HAVE ARRIVED IN TOWN, AND ARE LOOKING TO CLAIM STILLWATER FOR THEIR OWN. THE BIGGEST THREATS TO THE SAINTS ARE THE RONIN, THE BROTHERHOOD AND THE SONS OF SAMEDI.

THERE'S ALSO SOMETHING GOING ON WITH THE ULTOR CORPORATION - THE ARCHITECTS BEHIND THE CITY'S REDEVELOPMENT.

SONS OF SAMEDI

The Sons of Samedi are a fearless crew fuelled by old world Voodoo beliefs. Their recruits are a mixture of Stilwater U college drop outs & defected members of Haitian guerilla groups. Their source of income is a drug called "Loa Dust", sold in cheap to college kids and junkies. Rumor is that the Samedi are connected to an old Voodoo cult from the slums of Haiti - they mark their territory with the symbol of a Skull & twin snakes.

The Sons of Samedi are run by The General, and orders are made by his right hand man "Mr Sunshine".

THE GENERAL

Straight from the Caribbean, The General rules by fear. He can be seen driving around Stilwater V and the surrounding area in a heavily fortified Green Hoopty Limo.

The General has a taste for young college girls and new money.

MR SUNSHINE

The muscle in the Sons of Samedi, the man known as "Mr Sunshine" manages the Samedi's shipments and local enforcement. The college kids fear him, and believe he has other "powers of persuasion", beyond his giant machete and army of junkies.

RONIN

The newest gang to hit Stilwater are the Ronin. They have an appreciation for expensive modified bikes, and an old world love of blades and martial arts. The Ronin make their money from gambling houses, prostitution rings and street-racing.

The Ronin are based in Chinatown, and own the beach front and high retail areas. It's pretty clear that a deal has been brokered between the Ronin and Ultor - as no new crew could gain this much turf so quickly.

Taking lead from their Japanese roots, the Ronin mark territory with a logo of the sun dragon, calling for the new dawn and change.

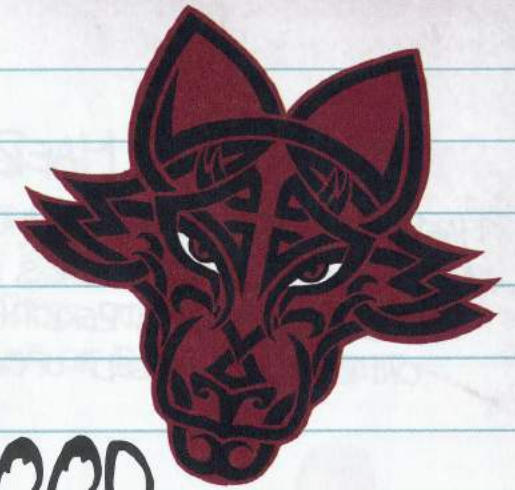

MR AKUCHI SAN

The money and power behind the Ronin, Akuchi San controls the Ronin from the other side of the world. Akuchi San has enough power and money to rival Ultor.

SHOGO AKUJI

Shogo has brokered a deal with Ultor to gain ground for the Ronin in Stilwater. Rumour has it that his father, Akuchi San is unhappy with his style of leadership, and is looking to make some serious changes.

THE BROTHERHOOD

THE BROTHERHOOD LIVES IN THE SOUTH EAST CORNER OF STILLWATER, CIRCLING THE FACTORY DISTRICT LOOKING FOR EASY TARGETS. THESE TRIGGER-HAPPY MOTOR HEADS RUN THE UNDERGROUND WEAPON SHIPMENTS AND MODIFIED CAR RACQUETS IN THE CITY.

THE BROTHERHOOD TAKE WHAT THEY WANT. IF ANYONE GETS IN THEIR WAY, THEY KILL THEM. THEY RELY ON THEIR LOOKS TO SCARE OFF LOCALS, WITH HOME JOB PIERCING AND TATTOOS, BRIGHT COLOURS, AND GAS-GUZZLING TRUCKS. THEY MARK THEIR TERRITORY WITH THEIR TAG - A TRIBAL WOLF.

THE BROTHERHOOD COVER THEMSELVES IN SIMILAR TRIBAL TATTOOS TO SHOW THEIR LOYALTY TO EACH OTHER. THEIR TASTE IN WOMEN AND GUNS IS LIKE THEIR TASTE IN CARS, HARD, ROUGH AND FULL OF FUEL.

MAERO

MAERO FORMED THE BROTHERHOOD FROM THE CAST-OUTS AND DREDDIES OF STILLWATER'S SLUMS. HE UNITED THEM AS A SOLID FORCE OF STRENGTH AND INTIMIDATION INTENT ON REVENGING ITSELF UPON THE POLICE AND CITY.

JESSICA

JESSICA IS MAERO'S GIRLFRIEND, AND - MAERO'S WEAKPOINT. A STILLWATER U SORORITY GIRL WITH A TASTE FOR BIG BAD MEN, IT'S GIRLS LIKE JESSICA THAT HELP FUND THE BROTHERHOOD'S MANY VICES.

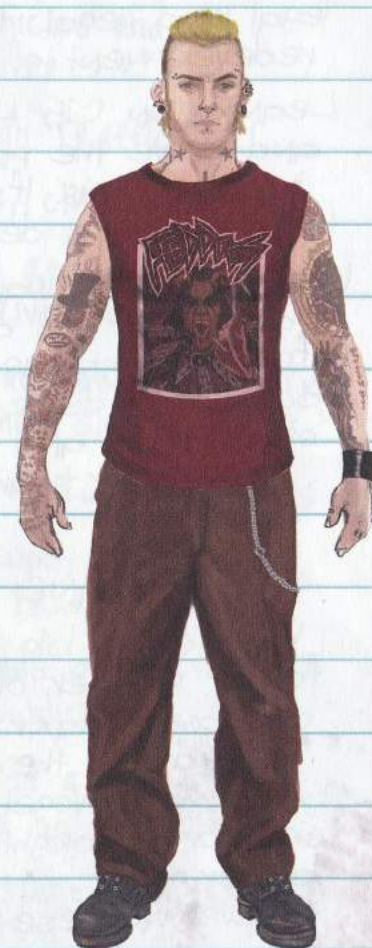

DONNIE

A FORMER MEMBER OF THE WESTSIDE ROLLERS, DONNIE IS WELL KNOWN TO THE SAINTS. NOW TUNING CARS FOR THE BROTHERHOOD, DONNIE HAS SWAPPED HIS BLUE STRIPES FOR RED. THE SAINTS HAVEN'T SEEN THE LAST OF THIS PIECE OF SHIT.

MATT

MATT IS THE GUITARIST FROM UNDERGROUND ROCK OUTFIT, THE FEED DOGS. HE'S A PRETTY GOOD TATTOO ARTIST, AND DOES HIS BEST WORK ON MAERO. DON'T KNOW WHICH CAME FIRST, THE BROTHERHOOD WOLF TAG, OR MATT'S STYLE. FAIR TO SAY THAT THEY HAVE MORE THAN ENOUGH IN COMMON.

The
Utor Corporation
started as a
clothing company
- taking their
name from the
Roman altar of

Mars - and used blind brand loyalty to become
a corporate heavy weight contender in Stilwater.

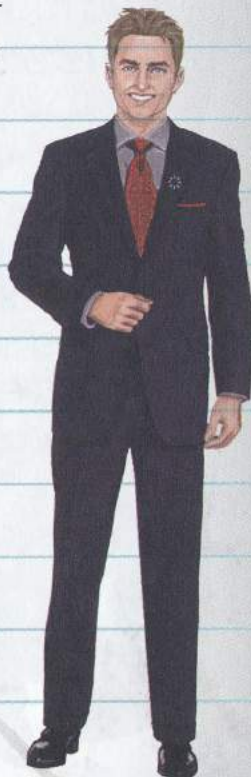

They now have a stake in every business -
legal and illegal. The take over started with the
redevelopment of Stilwater a few years back.

Leaning on City Hall Utor bought up real estate
and drove the poor folks from their homes and
into the slums. If the Saints are Robin Hood
these guys are definitely Prince John.

Utor fuel gang wars and then watch
as district fall apart. They wait
for the right time to move in and
bulldoze a district at the expense
of the poor and for the profit of
their shareholders.

Dane Vogel

Vogel is the big man at Utor. A
former partner of disgraced and
deceased Mayor Hughes, Vogel is
in bed with the Ronin and the
Brotherhood. Vogel shares the Utor
vision for "a brighter future and a
better life" - at the expense of
everyone else in Stilwater.

ASPECT

Moving up the ranks in the Saints means earning
the respect of your peers, and representing in
Stilwater. How you do this is your choice, but
here are some suggestions:

- ☐ Steal emergency vehicles and fill in for the driver
- ☐ Car surf through traffic
- ☐ Base jump from buildings, cliffs, aircraft
- ☐ Drive crazy, you'll be rewarded for every jump, drift and driver bail out
- ☐ Good aim with guns is always rewarded - try for head shots, or nut shots
- ☐ Steal a plane and fly low between buildings
- ☐ Throw pedestrians, cops, or rival gang members into traffic
- ☐ Take your clothes off, then streak in public
- ☐ Take out your gun in a store and start a hold up
- ☐ Steal a vehicle full of passengers and start a hostage situation

VEHICLES

you are what you drive/ride/fly

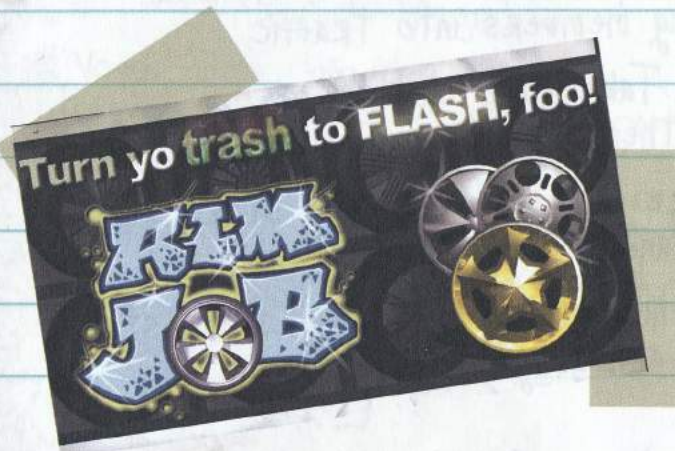

YOUR RIDE SAYS A LOT ABOUT YOU, SO MAKE SURE YOUR SAMPLE THE MANY VEHICLES IN STILLWATER

REMEMBER THAT CRIB GARAGES, DOCKS AND AIR CRAFT HANDERS HOLD AN UNLIMITED NUMBER OF VEHICLES - SO IF YOU FIND SOMETHING YOU LIKE, TAKE IT TO A STORAGE AREA SO YOU CAN PICK THE PERFECT RIDE FOR THE RIGHT MISSION.

VEHICLES CAN BE COLLECTED FROM CRIBS, AS WELL AS ALL GARAGES - SO IF YOU ARE TOO FAR FROM HOME, DON'T FRET, JUST CHECK YOUR MAP AND SET A GPS FOR YOUR LOCAL RIM JOBS. BOATS AND JET SKIS WILL BE STORED AT THE DOCK AREA IN NORTH STILLWATER. KEEP YOUR HELICOPTERS ON YOUR LANDING PAD (MAKE SURE TO VISIT THE ROOFS OF SPECIFIC CRIBS). NOT SURPRISINGLY, PLANES ARE KEPT AT MARILL AIRPORT HANDER

FOR YOUR BIKES AND CARS, THE MOST IMPORTANT STORE IN STILLWATER IS THE GARAGE.

AT RIM JOBS, YOU CAN SPEND SERIOUS MONEY DING UP YOUR RIDE.

HERE ARE THE ESSENTIALS.

UPGRADING YOUR TORQUE WILL MAKE A FAST VEHICLE FASTER - AND A SLOW VEHICLE USEFUL

REINFORCING THE BODY OF YOUR VEHICLE WILL SAVE ON FUTURE REPAIR COSTS, AND TURN YOUR VEHICLE INTO A HIGH-POWERED BATTERING RAM.

NOS CAN UP THE PACE ON EVEN THE MOST BASIC VEHICLE. IT WILL HELP YOU CATCH UP TO AN OPPONENT, BREAKTHROUGH OBSTACLES IN A TIGHT TURN, AND OUT RUN THE COPS WHEN YOU ARE OUT-NUMBERED. IT'S A STEAL AT ONLY \$150.00. SHOULD DEFINITELY BE APPLIED TO BIKES, BUT ALWAYS USED WITH DISCRETION.

HYDRAULICS ARE A MODIFICATION BASED ON STYLE - NOT PERFORMANCE. EQUIPPING HYDRAULICS TO YOUR RIDE IS ALL ABOUT SCORING RESPECT. IN YOUR PIMPED OUT RIDE, PULL UP NEXT TO SOME STILLWATERIANS, AND USE YOUR HYDRAULICS TO DO YOUR BEST TO IMPRESS. ROLLING YOUR CAR WILL REQUIRE SKILL, SO PRACTICE FIRST.

RIMS COME IN ALL SHAPES AND SIZES - INCLUDING SPINNERS, SPORTS RIMS, DEEP DISH TO NAME A FEW. CHANGE YOUR WHEEL TYPE TO SUIT YOUR NEW RIMS, PICKING YOUR TYRE TYPE - THE CLASSIC WHITE WALL, OFF ROAD TREAD - AND WHEEL SIZE, FROM SUPER PHAT BOYS, TO LOW PROFILE WHEELS. TAKE YOUR PICK

BODY KITS MAKE SURE YOU WILL ALWAYS HAVE A UNIQUE RIDE. HEAD TO THE GARAGE TO CHANGE THE LOOK OF YOUR VEHICLE - ALTER THE HOOD, ROOF, SPOILERS, SIDE PANELS, EXHAUST TYPE - AND CREATE SOMETHING A LITTLE MORE YOU.

WHY HAVE ONE WHEN YOU CAN HAVE
THEM ALL? POST SAINTS HAVE COMPILED
A LIST OF STILLWATER'S VEHICLES. CHECK
THEM OFF WHEN YOU ADD IT TO YOUR
CREW'S COLLECTION
