INVITATION TO GENDER MAINSTREAMING WORKSHOP

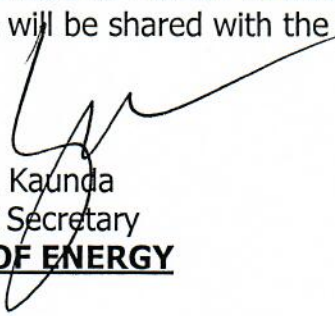

The Ministry of Energy with the support of the European Union is implementing the **Increased Access to Electricity and Renewable Energy Production (IAERP) Project**. The overall objective of the project is to increase access to clean, reliable, and affordable energy and promote energy efficiency and renewable energy production in Zambia. The IAERP project is supporting the Ministry of Energy in developing the **Gender Strategy and Action Plan for the energy sector in Zambia**.

As part of the stakeholder engagement in the development of the Gender Strategy and Action Plan, a series of gender mainstreaming workshops will be conducted targeting different stakeholders in the energy sector. **Your organisation is invited to a one-day gender mainstreaming workshop targeting NGOs and the private sector which will be held on Tuesday 6 October at Sarovar hotel in Lusaka**. The objective of the workshop is to provide training on the gender and energy nexus and the concept of gender mainstreaming as well as involving the participants in the development of the Gender Strategy and Action Plan. In addition, the workshop aims at establishing linkages between private sector companies and local NGOs.

We kindly ask you to nominate one participant from your organisation to attend the workshop.

(targeting NGOs and private companies in the energy sector)

For more information about the workshops, please contact Ms. Arlid, the leading consultant of the development of the Gender Strategy, on lovisa.arlid@gmail.com or 0962218229. **Please send an email by Friday 4th September latest** to IAEREP.TA1@GMATL.COM (cc lovisa.arlid@gmail.com) with the name of the nominated representative. Make sure to include Position, Department/Unit, Email and Telephone. A detailed programme will be shared with the participants prior to the workshops.

Trevor K. Kaunda
Permanent Secretary
