Start Date : September 29th, 2014
End Date : November 14th, 2014
Mode of payment : Pay pal
Mode of payment : Flexible
Money needed : December 5th, 2014

The detailed budget of the campaign project is attached and asks you to help us meet that higher number of funds.

With the extra funds we shall procure mobility, motor vehicle, international communication network system connectivity, continuous community awareness and sensitization trainings and a research project proposal using participatory action research to explore key issues around trainings (Campaign) and advocacy drives, linking with local, national and international expels of best practices organizations and facilitating technical volunteers, office space rental and find more community needs.

I will be ready to start raising funds September 29th, 2014.

I ask you to email 5-10 of your friends, family, partners, co-workers, ex-spouses, step mothers, pen pals to share this link to everyone on behalf of our campaign.

Today September 29th, 2014 we are launching the smoke campaign which is the serious killer globally!
