[2006-12-08 18:12:32] <Cull_Tremayne> And, it was rejected since ID is barely used anyway.
[2006-12-08 18:12:35] <Jaymach> 003@(@@Ataru@03@)@@: it wouldn't necessarily factionalize the community
[2006-12-08 18:12:37] <Ataru> That's what WookieeProjects ar for
[2006-12-08 18:12:44] <Jaymach> people are generally more interested in certain areas
[2006-12-08 18:12:47] <Riffsyphon1024> isnt that why we're categorizing users for though?
[2006-12-08 18:12:58] <Riffsyphon1024> category:fleet junkies?
[2006-12-08 18:13:12] <Ataru> That's why we use WookieeProjects. IDrive is one big community effort, the way I see it. There could be a WookieeProject: Ships and fleet stuff
[2006-12-08 18:13:20] <Cull_Tremayne> I agree that if it's split up, we'll get more people working on it.
[2006-12-08 18:13:25] <Riffsyphon1024> but not everyone finds the wookieeprojects

[2006-12-08 18:13:41] <Ataru> Put links to a master WookieeProject page on the main page?
[2006-12-08 18:13:46] <Riffsyphon1024> theyre out there though
[2006-12-08 18:13:49] <Jaymach> just that we'll get more interest in it, as each type of member would have their area in it
[2006-12-08 18:14:03] <Riffsyphon1024> we can have specialists
[2006-12-08 18:14:08] <Nightmare> That would be cool
[2006-12-08 18:14:12] <Ataru> Wasn't that mentioned in a CT by Fourdot?
[2006-12-08 18:14:24] <Ataru> A source-based awards or something like that?
[2006-12-08 18:14:28] <Riffsyphon1024> those people can check the authencity of incoming articles in their speciality also
[2006-12-08 18:14:41] <RoronCorobb> that would be cool
[2006-12-08 18:14:51] <Riffsyphon1024> but yea we could make a master project page
[2006-12-08 18:15:00] <Cull_Tremayne> The source-based awards are kind of ludicrous I think.

[2006-12-08 18:15:33] <Ataru> But not a bunch of mini IDrives.
[2006-12-08 18:15:33] <RoronCorobb> yes

[2006-12-08 18:29:46] <LucidFox> I think near-Human = genetically compatible with Human
[2006-12-08 18:30:01] <LucidFox> capable of producing offspring
[2006-12-08 18:30:06] <Jaymach> another species which entered the argument was the Korun, I
believe
[2006-12-08 18:30:07] <Redemption> That is just speculation
[2006-12-08 18:30:17] <Riffsyphon1024> korunnai are near-human
[2006-12-08 18:30:20] <Jaymach> and the Kiffu
[2006-12-08 18:30:25] <Riffsyphon1024> near-human
[2006-12-08 18:30:36] <LucidFox> that, or if it was officially canonically deemed near-
Human
[2006-12-08 18:30:37] <Jaymach> *Kiffar, sorry
[2006-12-08 18:30:45] <LucidFox> no other cases
[2006-12-08 18:31:16] <Darth_Culator> The problem I see is less about defining near-human
and more about separating a human subspecies from a species that looks human.
[2006-12-08 18:31:24] <Nightmare> Yes
[2006-12-08 18:31:25] <Jaymach> the argument seems to have taken place here:

[2006-12-08 18:31:27] <LucidFox> I don't really think this is a question for a Mofference,
though
[2006-12-08 18:31:43] <Riffsyphon1024> note: its still incomplete
[2006-12-08 18:31:45] <LucidFox> the arguments are just too lengthy for an IRC conversation
[2006-12-08 18:31:47] <Darth_Culator> Like the difference between humans and Arkanians, not
the difference between Corellians and Naboo.
[2006-12-08 18:31:54] <LucidFox> and it's something best discussed on, say, TFN

[2006-12-08 18:39:18] <Jaymach> seeing as it's your topic

[2006-12-08 18:39:38] <DarthOblivion> What are we talking about
[2006-12-08 18:39:41] <Nightmare> No, then the larger pictures won't work.
[2006-12-08 18:39:44] <AceofAces20> i see
[2006-12-08 18:39:45] <Darth_Culator> Basically, we need to assume that the lowest common
denominator is using IE at 800x600.
[2006-12-08 18:39:49] <LucidFox> haven't we held a CT discussion and agreed on 250px?
[2006-12-08 18:39:55] <LucidFox> in infoboxes
[2006-12-08 18:39:56] <Nightmare> sure
[2006-12-08 18:39:59] <Riffsyphon1024> ive always used 300px which is best for me, you can
see enough of the image and have space for the text below without taking up the entire
screen
[2006-12-08 18:39:59] <DarthOblivion> Nevermind
[2006-12-08 18:40:08] <Jaymach> we have agreed on 250px, but people still break that rule
[2006-12-08 18:40:09] <Darth_Culator> And at that resolution, 250px is the widest infobox
that fits with default thumbnail sizes.
[2006-12-08 18:40:16] <Riffsyphon1024> but if 250 or 275 is decided
[2006-12-08 18:40:21] <Nightmare> sure
[2006-12-08 18:40:21] <DarthOblivion> I like 250px
[2006-12-08 18:40:26] <Nightmare> 275
[2006-12-08 18:40:30] <RoronCorobb> 275
[2006-12-08 18:40:31] <LucidFox> so I think we should enforce 250px on non-compliant pages
[2006-12-08 18:40:32] <Darth_Culator> And 180px is the widest thumbnail size that works
with a 250px infobox.
[2006-12-08 18:40:32] <Redemption> It's hard enough to get some images to work with 250px
without disorting them.
[2006-12-08 18:40:46] <Riffsyphon1024> it shouldnt really be a rule then, but a
"guideline", whatever works for the article is how it should go
[2006-12-08 18:40:47] <Darth_Culator> We already decided on 250 months ago, people just
ignore it.
[2006-12-08 18:40:53] <LucidFox> and just omit the size in regular thumbs
[2006-12-08 18:40:59] <Nightmare> sure
[2006-12-08 18:41:00] <LucidFox> because it defaults to 180px
[2006-12-08 18:41:01] <Redemption> And by now, with most of the articles at 250px, all the
mages would have to changed or completley redone

issue that needs to be explained in FAQs and enforced in policy or else things fall apart.
[2006-12-08 18:43:08] <Nightmare> I still think that 250-275 would work well
[2006-12-08 18:43:17] <Ineedaname> what about battle infoboxes? They're 300px wide

[2006-12-08 18:43:47] <Riffsyphon1024> right

[2006-12-08 18:46:09] <Darth_Culator> And really shouldn't have been.

[2006-12-08 19:15:55] * Cull_Tremayne keeps mouth shut.
[2006-12-08 19:16:05] <Cull_Tremayne> 50?!
[2006-12-08 19:16:07] <Riffsyphon1024> i could always just veto one now, but XWing would
hate me for cutting his feet from under him after voting for him already
[2006-12-08 19:16:13] <Jaymach> so if anyone signs up on, say, memory alpha or the Stargate
wiki, they're added to our database
[2006-12-08 19:16:18] <RoronCorobb> 50 very active ones
[2006-12-08 19:16:22] <Nightmare> 1 per 100 users signed in on the active user page?
[2006-12-08 19:16:30] <Ozzel> I don't think we need a specific number or ratio. Basically,
don't we have enough for the time being?
[2006-12-08 19:16:33] <Jaymach> as I said...there's no way to track active users
[2006-12-08 19:16:38] <LucidFox> you mean Wookieepedia:Wookieepedians?
[2006-12-08 19:16:39] <Imperialles> Riff: it is your privilege as a BC
[2006-12-08 19:16:56] <DarthOblivion> I guess I shouldn't try
[2006-12-08 19:16:58] <Riffsyphon1024> but it wouldnt be fair then considering he's prime

[2006-12-08 19:17:02] <LucidFox> well, I'm not ashamed to veto users...
[2006-12-08 19:17:07] <Riffsyphon1024> and i dont have a reason to not like him
[2006-12-08 19:17:15] <Nightmare> LucidFox:yeah
[2006-12-08 19:17:17] <LucidFox> and I will start doing so when I think we have enough
[2006-12-08 19:17:29] <Riffsyphon1024> if Chad disagrees, he is the final say
[2006-12-08 19:17:42] <LucidFox> (totally not induced by any so-called cabal ;))
[2006-12-08 19:17:43] <Darth_Culator> Why don't we make it necessary for potential admins
or people planning to nominate admins to ask a BC *first.*
[2006-12-08 19:17:50] <Riffsyphon1024> just so you all know that dont Chad=WhiteBoy
[2006-12-08 19:18:05] <Riffsyphon1024> that sounds like a good idea
[2006-12-08 19:18:08] <LucidFox> indeed

[2006-12-08 19:19:12] <Imperialles> So we all agree: No specific policy is needed, let bureaucrats regulate the number of admins as they see fit

[2006-12-08 19:21:51] <Darth_Culator> OK, new topic.
[2006-12-08 19:21:56] <Imperialles> Image format discussion: Cropping--When to, when not to, how to, how not to; File type--PNG vs GIF vs JPG vs everything else. Not that we need to work out the details in the Mofference, it'd take hours. Just that we need to work out a policy and we need some ideas for bullet points of that policy and/or volunteers to help write the rules and instructions for following them.

[2006-12-08 19:22:16] <DarthOblivion> Yes!!!
[2006-12-08 19:22:19] <Jaymach> it's a horrible format
[2006-12-08 19:22:27] <Sentry_> There is no need to use GIF, ever
[2006-12-08 19:22:28] <DarthOblivion> Agreed
[2006-12-08 19:22:31] <Darth_Culator> Imp is working on culling the images.
[2006-12-08 19:22:36] <Jaymach> PNG is usually best used for either black or white
pictures, or very high resolution ones
[2006-12-08 19:22:37] <Imperialles> I propose we move this discussion to
http://starwars.wikia.com/wiki/Wookieepedia:WookieeProject_Images/Image_policy
[2006-12-08 19:22:45] <Darth_Culator> But we need to set a policy on quality, format, etc.
[2006-12-08 19:22:48] <Imperialles> I am working on an image policy there
[2006-12-08 19:22:51] <Cull_Tremayne> JPG should be the standard.

[2006-12-08 19:26:49] <Cull_Tremayne> It seems much more professional, to have "*[[Periodical]]

[2006-12-08 19:26:51] <Darth_Culator> I like "*[[Periodical]]
 **[[Article]]" because it's more specific.

[2006-12-08 19:26:58] <Jaymach> I prefer "[[Periodical]] (if only one)

[2006-12-08 19:27:02] <Jaymach> but that's just my view
[2006-12-08 19:27:02] <DarthOblivion> Shouldn't a short story be in quotes
[2006-12-08 19:27:03] <Ozzel> So would that gof for Insider, Gamer, and SWAJ?
[2006-12-08 19:27:08] <Cull_Tremayne> Not necessarily.
[2006-12-08 19:27:09] <Darth_Culator> Same for short stories, like "Tales From" books.
[2006-12-08 19:27:21] <Riffsyphon1024> i would think so
[2006-12-08 19:27:30] <Jaymach> some stories are seen in multiple places, however
[2006-12-08 19:27:35] <Ozzel> True
[2006-12-08 19:27:40] <DarthOblivion> That's what I learned in school
[2006-12-08 19:27:43] <Jaymach> most of the "Tales from" stories are also seen in the "Adventure Journals"
[2006-12-08 19:27:45] <Ozzel> I almost prefer just the story name
[2006-12-08 19:27:51] <DarthOblivion> The quoted thing I mean
[2006-12-08 19:27:52] <Wookieeperial> The story name is a link anywya.
[2006-12-08 19:27:54] <Wookieeperial> *anyway
[2006-12-08 19:27:57] <Nightmare> Then just include the story name
[2006-12-08 19:27:58] <Wookieeperial> which simplifies logic.
[2006-12-08 19:27:59] <Riffsyphon1024> if i may ask about another thing, i think HNN should be appearances, but i see people placing it in sources
[2006-12-08 19:28:10] <Wookieeperial> Because the story then lists its appearances.
[2006-12-08 19:28:15] <Cull_Tremayne> Since the story is a link, I now agree to only use the article or story as the linnk.
[2006-12-08 19:28:25] <Cull_Tremayne> Agree with McEwok.
[2006-12-08 19:28:25] <Nightmare> I think that it should include the story name, not the place the story appeared in
[2006-12-08 19:28:55] <Imperialles> I think we're not going to get a consensus on this issue over IRC
[2006-12-08 19:29:00] <Imperialles> I'll put up a CT

[2006-12-08 19:29:11] <Ozzel> Yes, it would be best to be able to see all the options.
[2006-12-08 19:29:24] <Cull_Tremayne> Because I totally disagree with just mentioning the arc.
[2006-12-08 19:29:34] <Riffsyphon1024> i favor the issue over the arc
[2006-12-08 19:29:37] <Darth_Culator> As do I.
[2006-12-08 19:29:43] <Nightmare> Aye
[2006-12-08 19:29:43] <Sentry_> I prefer "[[Article]]" because some stories can be found in multiple sources - short story collections, hyperspace, Adventure journal

[2006-12-08 19:30:22] <Darth_Culator> Did we do the WP:AP item first like Ataru wanted?
[2006-12-08 19:30:25] <Jaymach> there's only one topic left
[2006-12-08 19:30:27] <Jaymach> we did
[2006-12-08 19:30:29] <Nightmare> Next topic
[2006-12-08 19:30:30] <Darth_Culator> Good.
[2006-12-08 19:30:32] =-= Darth_Culator has changed the topic to ``Wookieepedia Mofference

```
-- Topic: "Peer review, nobody ever uses it, should we get rid of it?"''
[2006-12-08 19:30:42] <Nightmare> Peer Review?
[2006-12-08 19:30:44] <Jaymach> I have to admit, I certainly don't use the Peer Review
[2006-12-08 19:30:46] <Nightmare> What's that?
[2006-12-08 19:30:48] <Imperialles> It's part of my plan
[2006-12-08 19:30:51] <Darth_Culator>
http://starwars.wikia.com/wiki/Wookieepedia:Peer_review
[2006-12-08 19:30:52] <Imperialles> wait and see =)
[2006-12-08 19:30:54] <Nightmare> Never heard of it
[2006-12-08 19:30:56] <Jaymach> people are meant to submit articles onto it to get others
to look over them
[2006-12-08 19:30:58] <DarthOblivion> I don't even know what it is.
[2006-12-08 19:30:58] <Imperialles> It's being worked on
[2006-12-08 19:31:02] <Darth_Culator> I've used it.
[2006-12-08 19:31:04] <Ineedaname> I didn't even know we had a peer review until it was
added to the agenda
[2006-12-08 19:31:05] <Darth_Culator> I like it.
[2006-12-08 19:31:08] <Nightmare> LAME.
[2006-12-08 19:31:12] <Ozzel> It's a good idea, if it would be used.
[2006-12-08 19:31:14] <AceofAces20> I don't know what it is either
[2006-12-08 19:31:15] <DarthOblivion> Dumb
[2006-12-08 19:31:26] <Riffsyphon1024> brb
[2006-12-08 19:31:26] <Jaymach> again, it's something we could include on the Main Page if
needed
[2006-12-08 19:31:31] <LucidFox> it's a place for people to receive constructive criticism
[2006-12-08 19:31:33] <Jaymach> possibly under IDrive
[2006-12-08 19:31:35] <Imperialles> It's being worked on
[2006-12-08 19:31:37] <Nightmare> "Wipe this pathetic being for the face of the Galaxy!"
[2006-12-08 19:31:39] <Imperialles> !!!
[2006-12-08 19:31:42] <RoronCorobb> Its hardly used, and somebody could just ask someone
[2006-12-08 19:31:45] <Cull_Tremayne> What?
[2006-12-08 19:31:51] <DarthOblivion> Exactly
[2006-12-08 19:31:57] <Darth_Culator> We should probably move some stuff from Community
Portal to Main Page.
[2006-12-08 19:31:59] <RoronCorobb> if they think its ready
[2006-12-08 19:32:00] <Cull_Tremayne> I think it should just be advertised more. It would
be useful.
[2006-12-08 19:32:16] <Cull_Tremayne> Getting rid of it, is "LAME".
[2006-12-08 19:32:31] <Ozzel> Thing is, it seems to kind of overlap with FA nomination.
[2006-12-08 19:32:39] <Nightmare> Yeah...
[2006-12-08 19:32:41] <Sentry_> It is a good idea. I agree that it could use some more
advertising.
[2006-12-08 19:32:42] <Nightmare> I noticed that
[2006-12-08 19:32:45] <AceofAces20> I've never seen it b4. advertising is good
[2006-12-08 19:32:45] <Imperialles> It's a vital piece of the revamp
[2006-12-08 19:32:50] <Cull_Tremayne> I just think that some things need Peer Review that
should not be FAs.
[2006-12-08 19:32:52] <Darth_Culator> Really, things should go on PR and then FA.
[2006-12-08 19:32:52] <Imperialles> that I'm working on
[2006-12-08 19:32:53] <Ozzel> Maybe people could pick thinks apart in peer review, THEN
nominate them for FA.
[2006-12-08 19:32:59] <Ozzel> *things
[2006-12-08 19:33:05] <Nightmare> Maybe merge it with FA nomination?
[2006-12-08 19:33:09] <Cull_Tremayne> And it should be useful to go to PR before FA.
[2006-12-08 19:33:25] <Cull_Tremayne> (Ozzel): You beat me to it.
[2006-12-08 19:33:32] <Darth_Culator> So did I.
[2006-12-08 19:33:35] <DarthOblivion> Too much work :P
[2006-12-08 19:33:36] <Darth_Culator> :-)
[2006-12-08 19:33:46] <RoronCorobb> I'm out, bye everybody
[2006-12-08 19:33:48] <Nightmare> lol
[2006-12-08 19:33:49] <Cull_Tremayne> (Culator): You beat me to it. :P
[2006-12-08 19:33:50] <Imperialles> well, I guess we've covered the agenda
[2006-12-08 19:33:50] <Nightmare> Bye
[2006-12-08 19:33:53] <Adamwankenobi> bye
[2006-12-08 19:33:55] <Jaymach> we seem to have, yes
[2006-12-08 19:33:56] |<-- RoronCorobb has left irc.freenode.net (Remote closed the

[2006-12-08 19:33:58] <Nightmare> HORRAY!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
[2006-12-08 19:33:59] <Jaymach> does anyone want to raise anything else?
[2006-12-08 19:34:02] <Nightmare> PARTY!
[2006-12-08 19:34:02] <Darth_Culator> It *should* be a lot of work to get Featured.
[2006-12-08 19:34:04] <Imperialles> Yeah
[2006-12-08 19:34:10] <Cull_Tremayne> Horray?
[2006-12-08 19:34:19] <Imperialles> Bureaucrats -- do we need any more?
[2006-12-08 19:34:20] <DarthOblivion> No pie throwing this time!
[2006-12-08 19:34:24] <Nightmare> Yay, I always celebrate after a mofference
[2006-12-08 19:34:28] <Nightmare> Ok...
[2006-12-08 19:34:29] <Adamwankenobi> :)
```

[2006-12-08 19:34:30] <Cull_Tremayne> The stricter the requirements the better, really.
[2006-12-08 19:34:31] <AceofAces20> that was funny
[2006-12-08 19:34:34] <Nightmare> no pie throwing...
[2006-12-08 19:34:34] <Darth_Culator> Imp: Probably not for the time being.
[2006-12-08 19:34:37] <LucidFox> Imperialles> well, there are two admins I'd like to see promoted
[2006-12-08 19:34:43] <LucidFox> (no names)
[2006-12-08 19:34:52] <Nightmare> Bye guys
[2006-12-08 19:34:52] <Jaymach> Sikon/Riffs: care to explain what other features BC's get?
[2006-12-08 19:34:56] |<-- Nightmare has left irc.freenode.net (Remote closed the connection)
[2006-12-08 19:34:57] <Jaymach> just so that current admins are aware
[2006-12-08 19:35:00] =-= Darth_Culator has changed the topic to ``Wookieepedia Mofference -- Topic: Bureaucrat nominations?''
[2006-12-08 19:35:09] <LucidFox> Jaymach> technically, just promoting others to admins or bureaucrats
[2006-12-08 19:35:14] <GHe> yes
[2006-12-08 19:35:17] <LucidFox> no other features besides those regular admins have
[2006-12-08 19:35:20] <Jaymach> thought so
[2006-12-08 19:35:27] <Darth_Culator> And veto power. But that's a Wookiee thing, not a wiki thing.
[2006-12-08 19:35:30] <Jaymach> so there's not really any more need for them as of yet
[2006-12-08 19:35:33] <DarthOblivion> More power
[2006-12-08 19:35:38] <LucidFox> well, that's social, not technical
[2006-12-08 19:35:42] <Jaymach> in the future, if they get more control...then maybe
[2006-12-08 19:35:44] <Darth_Culator> As I said.
[2006-12-08 19:35:51] <Jaymach> and I wouldn't turn down the position personally :P lol
[2006-12-08 19:35:55] <Adamwankenobi> Well, I'm out of here. Didn't have much to say this time. :S
[2006-12-08 19:35:58] <Jaymach> but we don't truly need more at the moment, as far as I'm aware
[2006-12-08 19:35:58] <Imperialles> The Bureaucrats page says they are in charge of deciding consensus in difficult cases
[2006-12-08 19:36:07] <Wookieeperial> We're done? Okay. Bye, all!!
[2006-12-08 19:36:15] <AceofAces20> well, put the next Mofference date up soon, and ADVERTISE it... I gotta go.
[2006-12-08 19:36:15] <Imperialles> so long, McEwok

[2006-12-08 19:36:37] <Cull_Tremayne> Five could be a good number... though I doubt others would agree.
[2006-12-08 19:36:42] |<-- Wookieeperial has left irc.freenode.net ()
[2006-12-08 19:36:52] <AceofAces20> bye

[2006-12-08 19:37:09] <DarthOblivion> I want to bypass admin status to Bureaucratic status! Absolute power! :)
[2006-12-08 19:37:11] <Darth_Culator> Not all hard and angular like four.

[2006-12-08 19:37:34] <Riffsyphon1024> back, what did i miss?
[2006-12-08 19:37:40] <Darth_Culator> Nobody knows how to pronounce UN-LIM-I-TED POWWWWAAAHHH!!!
[2006-12-08 19:37:43] <Riffsyphon1024> eh what
[2006-12-08 19:37:45] <Cull_Tremayne> Possible promotion of new Bureaucrats.
[2006-12-08 19:38:02] <Cull_Tremayne> Which explains all the sudden Powaaah! quotes.
[2006-12-08 19:38:09] <Sentry_> :)
[2006-12-08 19:38:14] <DarthOblivion> lol
[2006-12-08 19:38:18] <Riffsyphon1024> we just made Sikon one, we're good
[2006-12-08 19:38:25] <Cull_Tremayne> Sikon suggested possibly recruiting two more.
[2006-12-08 19:38:32] <DarthOblivion> one more
[2006-12-08 19:38:32] <LucidFox> so, Riff, can I nominate two candidates at once?
[2006-12-08 19:38:36] <Riffsyphon1024> did he now?
[2006-12-08 19:38:46] <Darth_Culator> He's planning a coup.
[2006-12-08 19:38:47] * Cull_Tremayne turns head to the floor.
[2006-12-08 19:38:52] <Riffsyphon1024> just great
[2006-12-08 19:38:56] <Darth_Culator> :-P
[2006-12-08 19:38:58] <Jaymach> you can nominate as many as you like :P they just may not

be accepted
[2006-12-08 19:39:00] * Cull_Tremayne shuffles feet.
[2006-12-08 19:39:05] <DarthOblivion> Nooooo!
[2006-12-08 19:39:18] <Riffsyphon1024> and all I have to do is wave my veto finger
[2006-12-08 19:39:27] <DarthOblivion> LOL
[2006-12-08 19:39:35] <GHe> :)
[2006-12-08 19:39:36] <LucidFox> wait, I'll check first if they're eligible
[2006-12-08 19:39:48] <Cull_Tremayne> Now you have to quote Palps. :P
[2006-12-08 19:40:02] <Riffsyphon1024> may be so but to be honest what more do we
bureaucrats have that they dont as admins
[2006-12-08 19:40:06] <Cull_Tremayne> You know you want to say it.
[2006-12-08 19:40:11] <Darth_Culator> VETO POWAAAHHH!!! UN-LIM-I-TED VETO POWAAHHH!!!
[2006-12-08 19:40:23] <Cull_Tremayne> Aaaaahhh
[2006-12-08 19:40:28] <DarthOblivion> Envy.
[2006-12-08 19:40:30] <LucidFox> "I love democracy. I love the wiki."
[2006-12-08 19:40:40] <Cull_Tremayne> That was a sigh, not an exclamation. :P
[2006-12-08 19:41:00] <Riffsyphon1024> needed more H's Cull
[2006-12-08 19:41:08] <LucidFox> "The powers you give me I will lay down when this crisis

[2006-12-08 19:41:16] <Cull_Tremayne> You're right. :P

over.
[2006-12-08 19:41:59] <Jaymach> indeed
[2006-12-08 19:42:00] <DarthOblivion> He'll make one
[2006-12-08 19:42:00] <Imperialles> Now for the Nach-Mofference
[2006-12-08 19:42:01] <LucidFox> yes
[2006-12-08 19:42:02] <Ineedaname> The freely editable crisis
[2006-12-08 19:42:04] <Darth_Culator> The one he has to create in order to get emergency
powers and a clone army.
[2006-12-08 19:42:06] <Riffsyphon1024> we've finished all the topics?
[2006-12-08 19:42:13] <Imperialles> Aye
[2006-12-08 19:42:13] <Cull_Tremayne> Though more Bureaucrats could probably help resolve
close votes and such.
[2006-12-08 19:42:21] =-= LucidFox has changed the topic to ``Post-Mofference''
[2006-12-08 19:42:27] <Riffsyphon1024> of course
[2006-12-08 19:42:29] <Imperialles> Cull: exactly
[2006-12-08 19:42:31] <Cull_Tremayne> Since we always have to email WhiteBoy to get him to

[2006-12-08 19:43:23] <Imperialles> he's addicted to this "WoW" thing... we need to make a
wiki-intervention
[2006-12-08 19:43:30] <Riffsyphon1024> or I could just drive to Arkansas, not far
[2006-12-08 19:43:31] <Jaymach> I generally get him on Skype, when I really need him
[2006-12-08 19:43:38] <Riffsyphon1024> oh great, effing WoW
[2006-12-08 19:43:42] <Sentry_> I think that we could use some more input on
http://starwars.wikia.com/wiki/Forum:"Notable"_fansites
[2006-12-08 19:43:44] <GHe> and take down the current sitenotice
[2006-12-08 19:43:57] <Cull_Tremayne> We've lost to many good people do that...thing. :P
[2006-12-08 19:44:03] <DarthOblivion> He's addicted to WoW? Noooo!!!
[2006-12-08 19:44:05] <Jaymach> curious: do any of the other admins actually use their

[2006-12-08 19:44:06] <Riffsyphon1024> it IS a thing
[2006-12-08 19:44:15] <Riffsyphon1024> i dont
[2006-12-08 19:44:22] <Jaymach> I've used it once
[2006-12-08 19:44:24] <DarthOblivion> I wouldn't
[2006-12-08 19:44:30] <Riffsyphon1024> but you know where to find me
[2006-12-08 19:44:34] <Cull_Tremayne> It's not a thing, it simply...IS.
[2006-12-08 19:44:35] <Imperialles> I've used it once, for about 1 year
[2006-12-08 19:44:40] <GHe> b/c you get used to the norm email
[2006-12-08 19:44:54] <Imperialles> I was MT of a Nax guild, had 7/9 tier3 and all...
[2006-12-08 19:45:00] <Riffsyphon1024> ok ok
[2006-12-08 19:45:14] <Riffsyphon1024> do you want me to give you 3000 gold too?
[2006-12-08 19:45:27] <Imperialles> No, I don't play anymore :p
[2006-12-08 19:45:34] <LucidFox>

[2006-12-08 19:45:43] <DarthOblivion> I want gold

[2006-12-08 19:46:00] <Riffsyphon1024> two more...
[2006-12-08 19:46:02] <Jaymach> hey, cool :)
[2006-12-08 19:46:07] <Jaymach> thanks Sikon
[2006-12-08 19:46:10] <LucidFox> the nominees are present here on IRC, so I won't bother to inform them :)
[2006-12-08 19:46:23] * LucidFox pokes Darth_Culator, just in case
[2006-12-08 19:46:30] <Riffsyphon1024> i'm going to give those votes a while to go before I have any say on them
[2006-12-08 19:46:39] <LucidFox> ok
[2006-12-08 19:46:47] <Riffsyphon1024> and frankly I think there's someone else just as deserving
[2006-12-08 19:47:26] <DarthOblivion> That seems a bit cruel

[2006-12-08 19:47:34] <Riffsyphon1024> cruel?
[2006-12-08 19:47:37] <Darth_Culator> Sorry, I was getting dinner.
[2006-12-08 19:47:40] <Ozzel> I just know there's gonna be a Cabal one of these days, and I want to be around to see it when it happens.
[2006-12-08 19:48:02] <LucidFox> Ozzel> you see...
[2006-12-08 19:48:08] <LucidFox> a cabal is only good when it's secret
[2006-12-08 19:48:18] <Darth_Culator> which is why we don't have one.
[2006-12-08 19:48:21] <LucidFox> if it has been exposed, it's no cabal
[2006-12-08 19:48:22] <Riffsyphon1024> there is no cabal
[2006-12-08 19:48:27] <Imperialles> I'll be back in 20, going to watch Family Guy. When I return I'll delete hundreds of images
[2006-12-08 19:48:29] <DarthOblivion> Nope
[2006-12-08 19:48:40] <LucidFox> which is part of the justification for these noms :)
[2006-12-08 19:48:48] <DarthOblivion> Yay! Deletion
[2006-12-08 19:48:50] <Ozzel> I already have the next batch of images ready, Imp.
[2006-12-08 19:48:57] <Imperialles> great
[2006-12-08 19:49:01] <DarthOblivion> Have fun.
[2006-12-08 19:49:11] <Riffsyphon1024> im going to head for wookiee and off here myself
[2006-12-08 19:49:53] <Ineedaname> http://starwars.wikia.com/index.php?title=Oondar&curid=40101&diff=895342&oldid=881048
[2006-12-08 19:49:57] <Ineedaname> Is this fanon?
[2006-12-08 19:50:17] <Jaymach> it is, yes
[2006-12-08 19:50:26] <Riffsyphon1024> it says KOTOR 2
[2006-12-08 19:50:27] <Darth_Culator> The Bounty Hunter wars were thousands of years later, so yes.
[2006-12-08 19:50:29] <Cull_Tremayne> Oondar?
[2006-12-08 19:50:39] <Jaymach> that was my justification as well, Culator
[2006-12-08 19:51:02] <Ozzel> Revert it, if only on grounds of lack of ending punctuation. :-P
[2006-12-08 19:51:10] <Jaymach> Culator did already :P
[2006-12-08 19:51:12] <Sentry_> Wow, that was one long-lived duro
[2006-12-08 19:51:15] * Jaymach tried to do it, but wasn't quick enough
[2006-12-08 19:51:24] <DarthOblivion> Reminds me of one of those Duros brothers in KOTOR II.
[2006-12-08 19:51:28] <Riffsyphon1024> alright, im out of IRC
[2006-12-08 19:51:37] <Ozzel> Toodles

[2006-12-08 19:53:52] <Cull_Tremayne> Imp wasn't nominated?
[2006-12-08 19:53:52] <DarthOblivion> Tnu was here?!
[2006-12-08 19:54:20] <Ineedaname> Tnu joined and left in less than a minute
[2006-12-08 19:54:20] <Jaymach> he comes here often

[2006-12-08 19:54:34] <DarthOblivion> He he he
[2006-12-08 19:54:45] <Cull_Tremayne> Did we intentionally make the notice smaller than last time?
[2006-12-08 19:55:05] <Cull_Tremayne> Cause weren't there around 60 people last time?
[2006-12-08 19:55:09] <Jaymach> 'ta for the change of vote, Imp :)
[2006-12-08 19:55:24] <Jaymach> we had the notice up for several days before the

Mofference, last time
[2006-12-08 19:55:30] <Jaymach> at least, I remember it that way
[2006-12-08 19:55:35] <Ineedaname> And flashing in red :D
[2006-12-08 19:55:39] <DarthOblivion> Remember the lag, the horrible lag
[2006-12-08 19:55:44] <Imperialles> yes, we got too much people last time
[2006-12-08 19:55:49] * Darth_Culator doesn't want to remember.
[2006-12-08 19:55:52] <Imperialles> It was pure hell
[2006-12-08 19:56:14] <DarthOblivion> Had to leaveand rejoin countless times
[2006-12-08 19:56:16] * Jaymach wasn't able to make the last one, so doesn't remember
[2006-12-08 19:56:46] <Ozzel> Yeah, last time was a mess.
[2006-12-08 19:57:16] <LucidFox> and it's my fault...
[2006-12-08 19:57:26] <Ozzel> Everyone thought it was a party. We had people registering just so they could join the Mofference.
[2006-12-08 19:57:55] <Jaymach> really? fah
[2006-12-08 19:57:56] <LucidFox> remember, remember Sikon's stupid "remember, remember" thing...
[2006-12-08 19:58:06] <Cull_Tremayne> I was never ousted, so I found it hilarious. :D
[2006-12-08 19:58:07] <DarthOblivion> Remember, remember, the __ of November! Can't remember the date
[2006-12-08 19:58:09] <Ozzel> I don't think I can forget. :-p
[2006-12-08 19:58:09] <Jaymach> lol
[2006-12-08 19:58:31] <GHe> I think the flashing "1 hour" made it popular
[2006-12-08 19:58:33] <GHe> :P
[2006-12-08 19:58:37] <LucidFox> DarthOblivion> http://qdb.lucidfox.org/browse
[2006-12-08 19:58:40] <LucidFox> GHe> lol
[2006-12-08 19:58:40] <Jaymach> I was rather impressed that you knew that phrase, seeing as you don't live in the UK
[2006-12-08 19:58:41] <Ineedaname> I have screenshots of that
[2006-12-08 19:58:48] <LucidFox> Jaymach> V for Vendetta ;)
[2006-12-08 19:58:51] <Jaymach> ah
