Vraka Strando

Gazebo and Swing

Near the faraway jungle houses
was a quaint jungle gazebo
where there had crept a jungle snake.
A cozy canopy glider swing
was in the flipping garden.
Beyond were *gratiles* berries clinging.
Not at all was the family compound barren.

Viktor Nonong Medrano (2020-06-09)

Balloon Vines

Creeping balloon vines
outside urban apartment:
Yeah Filipiña!

Viktor Nonong Medrano (2020-06-09)

Temples and Josses

Stubborn *urusai* crowds
Blue sky and white clouds
Joss sticks in front of Josses
Chopsticks in a rice bowl of Pork Chops
Flips in an inflatable kiddie pool
"You want to join us?" says the school
A crowd of teens with 1970's hairdos
In a corner store of clerks not just Hindus
A walk to the green grove temples
Down south on Number Three Road
Iced Apple Green Tea with Bubbles
Phonograms with Logograms like cryptic code

Balloon Vines

At night, the wondrous full moon showed

One Head-shaven, One Black-haired

One Head-shaven, One Black-haired
Big bulging white man

Another one handsome
Reminiscent of tamarind
Both seeing a wild shaman
Under massive trees shady

Viktor Nonong Medrano (2020-06-08)
