

Links

The screenshot shows the Fandom Wiki interface for the page "List of Wiki Secret Society Players". The browser address bar shows the URL: the-secret-society.wikia.com/wiki/List_of_Wiki_Secret_Society_Players. The page header includes the Fandom logo, "POWERED BY WIKIA", and navigation links for Games, Movies, TV, Wikis, and a Search bar. Below the header is a blue navigation bar with links: "On the Wiki", "Guides", "Databases", "Community", "Wiki Activity", "Random page", "Videos", "Images", and "Chat". The main content area has a title "List of Wiki Secret Society Players" with a sub-header "628 PAGES ON THIS WIKI" and an "Add New Page" button. Below the title are "Edit" and "Comments [21]" buttons. The text explains that the page is an editable list for users to add their game information. It includes instructions on how to edit or remove information and a note about contacting an Admin. At the bottom, there is a section titled "Adding Game Information to the List of Users" with an "Edit" button and a paragraph explaining that users do not need to be registered to add their game information.

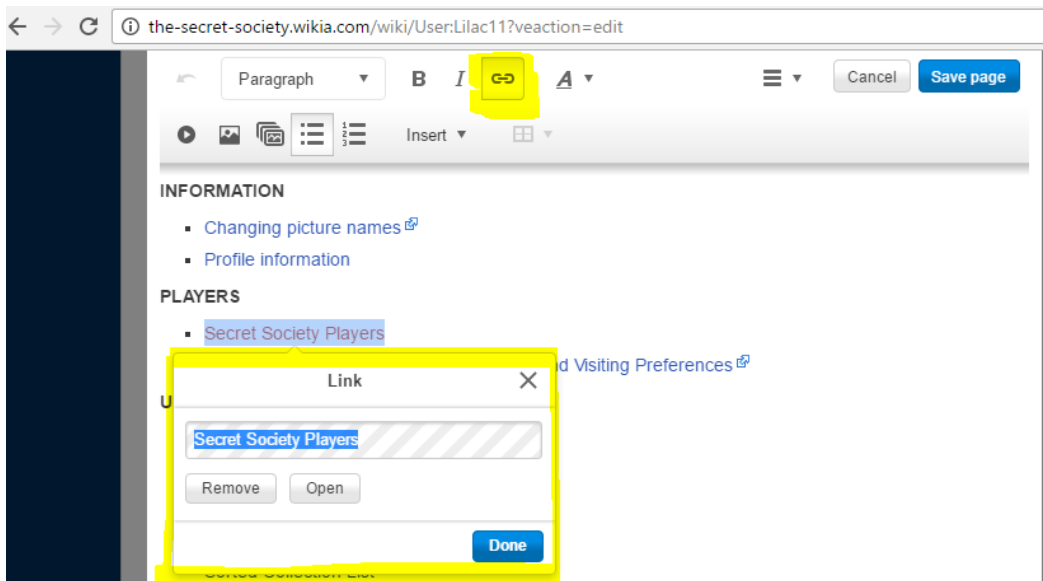

Copy the page address that you want to reference.

Go to the page where you want to add the link. Type what you want the link to say.

Highlight the words you just typed.

Click on the "link" icon in the edit bar and the "link box" will pop up.

Paste the page address you copied earlier.
You will see a check mark identifying that the page exists.
Click the "X".
Then click "save page".

You're done!
