You've Got a Friend in Me (Wheezy's Version)

Performed by Robert Goulet
Words and Music by Randy Newman

Track Produced by Randy Newman and Frank Wolf

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
You just remember what your old pal said
Son, you've got a friend in me
Yeah, you've got a friend in me

You've got a friend in me
You've got a friend in me
You've got troubles and I've got 'em too
There isn't anything I wouldn't do for you
We stick together we can see it through
'Cause you've got a friend in me (yes, you do)
Yeah, you've got a friend in me

Some other folks might be
A little bit smarter than I am
Bigger and stronger, too
Maybe
But none of them will ever love you
The way I do
Just me and you, babe

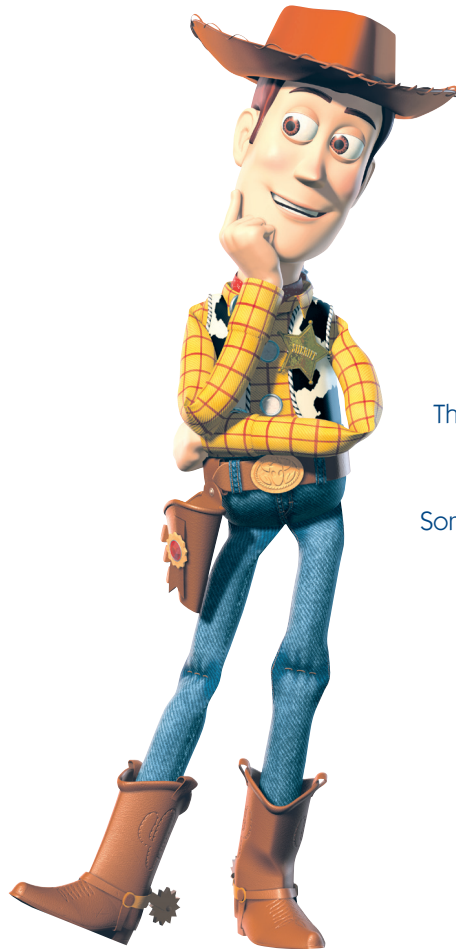

And as the years go by
Our friendship will never die
You're gonna see
It's our destiny
You've got a friend in me

You just remember what your old pal said
Son, you've got a friend in me

We stick together we can see it through
'Cause you've got a friend in me

Some other folks might be
A little bit smarter than I am
Bigger and stronger, too
Maybe
But none of them will ever love you
The way I do
Just me and you, babe

And as the years go by
Our friendship will never die
You're gonna see
It's our destiny
You've got a friend in me (yes, you do)
You've got a friend in me (that's the truth)
You've got a friend in me
Yeah!

I was on top of the world living high
It was right in my pocket
I was living the life
Things were just the way they should be
When from out of the sky like a bomb
Comes some little punk in a rocket
Now all of a sudden
Some strange things are happening to me

I had friends
I had lots of friends
Now all my friends are gone
And I'm doing the best I can
To carry on

I had power
I was respected
But not anymore
And I've lost the love
Of the one whom I adore

Let me tell you about it
Strange things are happening to me
Strange things
Strange things are happening to me
Ain't no doubt about it

You got someone you think you know well
Who turns out a stranger
The minute you turn your back
You're in it all by yourself
They laugh at your jokes
You think you're doing quite well
But you're in danger, boy
You end up alone, forgotten
Way up on the shelf

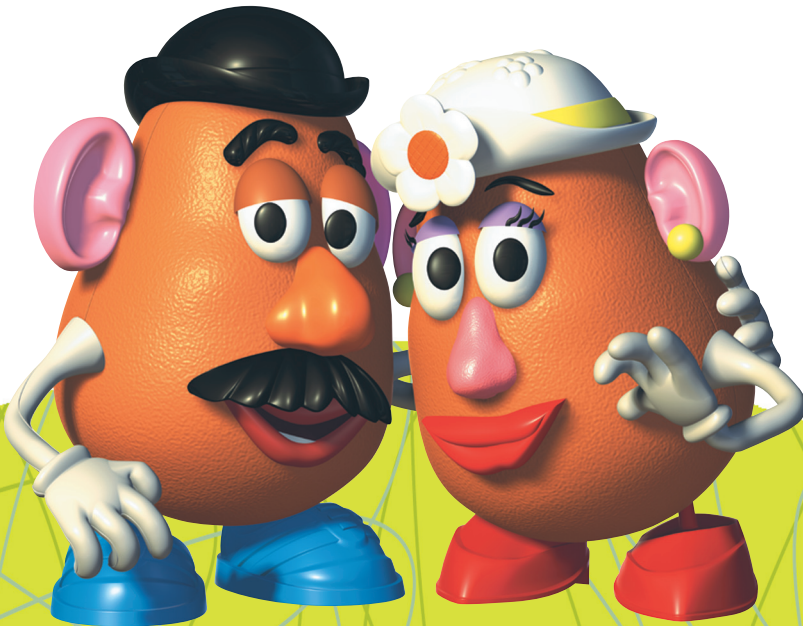

Strange things are happening to me
Strange things
Strange things are happening to me
Ain't no doubt about it
Strange things are happening to me
Strange things
Strange things are happening to me
Strange things
Strange things
Strange things

I Think I'd Be Perfect for You

Who would you choose	I think I'd do fine
Who could it be	I think I'd do right
Who'd close their eyes with you	I think I could walk with you
And who could still see	Through the shadows of your nights
And I know how you've dreamed about how	And if you think that I am just one who would do
He'd be with you	No, I think I'd be perfect for you
So, I think I'd be perfect for you	I think I'd be perfect for you

Who'd light your way but not cross your star
Who'd call in his brigade but not fight your war
And if you needed time alone I'd know what to do
And I think I'd be perfect for you

The Claw

Words and Music by Gary Powell

All Rights Reserved. Lyrics Reprinted by Permission.

Who is it that lifts us to the sky
The claw, the claw, the claw
Who doesn't care if we have three eyes
He picks you right up and then you'll rise
What a surprise!

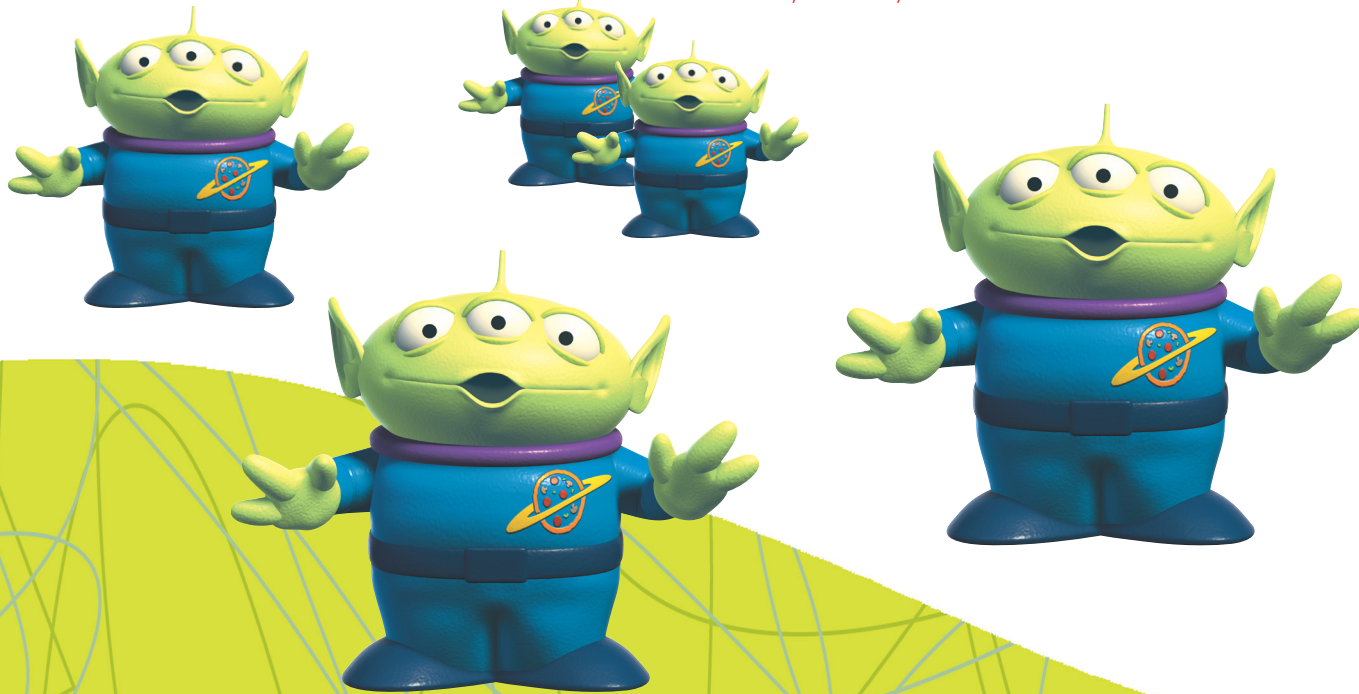

Spoken: I'll miss you guys
Well, it's the claw, the claw, the claw
Yes, it's the claw, the claw, the claw

There's nothing quite as glorious
That makes you more notorious
Than to be chosen,
yes, to be chosen by the claw

Who chooses now if we'll stay or go
The claw, the claw, the claw
Who doesn't care if we have no nose
And little round bodies with no toes
Well, here I go!

Spoken: What do ya know!
Yes, he is chosen by the claw
Yes, he is chosen by the claw

It's really so mysterious
And makes you quite delirious
When you are chosen
When you are chosen by the claw
The claw, the claw, the claw

Pig Rap

Words and Music by Gary Powell

Well I'm a pig
And I'm a pig, too
And we're glad we don't live in a zoo
'Cause I like to flip
And I like to flop
In my own pig pen
On top of pig slop

I like to oink
And I like to squeal
And we like to eat
Very big meals
But most of all
Just after our nap
We like to snort
And do the Pig Rap

Do the Pig Rap
Do the Pig Rap
Do the Pig Rap
Do the Pig Rap
Do the Pig Rap
Do the Pig Rap

Woody's Waltz

Words and Music by Chris Martin and Gary Powell
© 1999 Wonderland Music Company, Inc. (BMI)
All Rights Reserved. Lyrics Reprinted by Permission.

Once upon a Western plain
A cowboy raced a westbound train
On a horse that was tall and a good true friend
And I have to believe it was more than pretend

Once upon a different time
When lawmen weren't just left behind
'Cause they stood for the truth and the truth didn't bend
And I have to believe it was more than pretend

CHORUS

More than make-believe
More than dream come true
More than wish on yonder star or two
More than just a boy's occasional friend
A toy longs to go where it's more than pretend

Once upon a certain day
When sheriffs weren't just child's play
They were tough, they were strong, they would fight
to the end
And I have to believe they were more than pretend

Chorus

Where you practice your ridin' with a hat on your head
Where the cactus ain't plastic they're painful instead
With a badge made of silver a heart made of gold
And a man is both gentle and bold

Once upon a mountain high
A hero's hand could reach the sky
And the moon and the sun rose and set just to lend
A light to this world so much more than pretend

Chorus

Woody's Roundup
Right here ev'ryday
Woody's Roundup
Come on, it's time to play

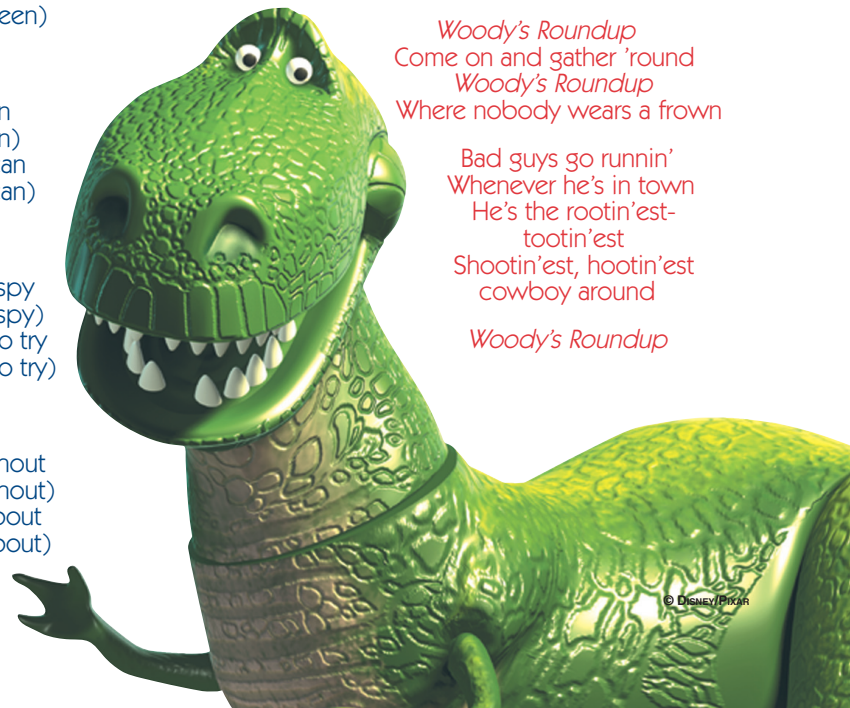

There's Jessie, the Yodelin' Cowgirl
(yo-de-lay-ee-hoo!)
Bullseye – he's Woody's horse
(he's a smart one)
Pete, the old prospector
And Woody the man himself, of course

It's time for Woody's Roundup
He's the very best
He's the rootin'est-tootin'est cowboy
In the wild, wild West

Woody's Roundup
Come on and gather 'round
Woody's Roundup
Where nobody wears a frown

Bad guys go runnin'
Whenever he's in town
He's the rootin'est-
tootin'est
Shootin'est, hootin'est
cowboy around

Woody's Roundup

Jessie, the Yodelin' Cowgirl

Performed by Riders In The Sky
Words and Music by Douglas B. Green

Lyrics Reprinted by Permission.

I was born in Oklahoma in the rolling Osage hills
And I rode my pinto pony at full gallop for my thrills
And a song of joy and gladness bubbled upwards from my heart
And burst forth in merry music
That's how yodelin' got its start

CHORUS

They call her Jessie, the Yodelin' Cowgirl
As dainty as a fairy, the princess of the prairie
Yes she's Jessie, the Yodelin' Cowgirl
I ride along and yodel a song
From dawn to dusk to dawn
'Cause she's Jessie, the Yodelin' Cowgirl

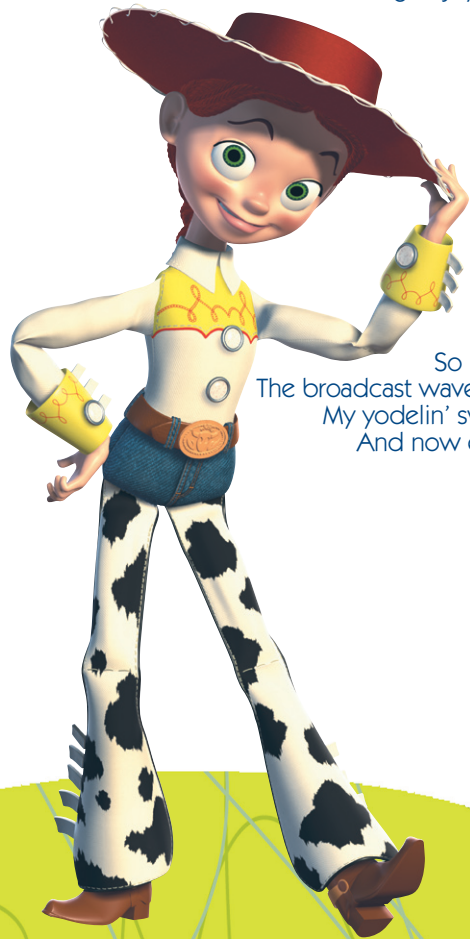

Yodeling

So I moved to Californie and became a tee-vee star
The broadcast waves and beams and rays cast yodelin' near and far
My yodelin' swept the country, an epidemic that all caught us
And now everybody knows me as the Epiglottis Goddess!

Chorus

They call me Jessie, the Yodelin' Cowgirl
Yodeling
Yes she's Jessie, the Yodelin' Cowgirl
I ride along and yodel a song
From dawn to dusk to dawn
'Cause she's Jessie, the Yodelin' Cowgirl

The Ballad of Bullseye

Performed by Riders In The Sky

Bullseye my pony, Bullseye my pride
Bullseye mi amigo, Bullseye I will ride
Across the wide prairie, beneath the blue sky
We'll ride on forever just me and Bullseye

It was out in west Texas at the Triple 'R' sale
When I first laid eyes on that Bullseye broomtail
He bounced and he bucked and he ran like the wind
And when I rode out I was a-leadin' my friend

Hey, Bullseye my pony, Bullseye my pride
Bullseye mi amigo, Bullseye I will ride
Across the wide prairie, beneath the blue sky
We'll ride on forever just me and Bullseye

One midnight in August it came up a storm
The cattle stampeded, the lightning did swarm
A cowboy who fell was a cowboy who'd die
Well lucky for me I was a-ridin' Bullseye

Hey, Bullseye my pony, Bullseye my pride
Bullseye mi amigo, Bullseye I will ride
Across the wide prairie, beneath the blue sky
We'll ride on forever just me and Bullseye

Now if ever I find me a cowgirl so true
Who'll keep a loose rein on this old buckaroo
Well if she's got a mare and a twinkling eye
Boys I might settle there and raise little Bullseyes

Hey, Bullseye my pony, Bullseye my pride
Bullseye mi amigo, Bullseye I will ride
Across the wide prairie, beneath the blue sky
We'll ride on forever just me and Bullseye
We'll ride on forever just me and Bullseye

When She Loved Me

Words and Music by Randy Newman

Lyrics Reprinted by Permission.

When somebody loved me
Everything was beautiful
Every hour we spent together
Lives within my heart

And when she was sad
I was there to dry her tears
And when she was happy
So was I
When she loved me

Through the summer and the fall
We had each other
That was all
Just she and I together
Like it was meant to be

And when she was lonely
I was there to comfort her
And I knew that
She loved me

So the years went by
And I stayed the same
But she began to drift away
I was left alone

Still I waited for the day
When she'd say I will always love you

Then one day it happened
And she finally looked my way
She smiled at me and held me
Just like she used to do
Like she loved me
When she loved me

When somebody loved me
Everything was beautiful
Every hour we spent together
Lives within my heart
When she loved me
