

Winter Wonderbag | Dec 1 - Jan 6

1. Click the Upload button
2. Edit the available fields/settings

- **Select item type:** This is where you choose what type of item you'd like to donate. Once the item type is selected, the appropriate setting options for that item will become available
- **Item Title:** Some items require a title. This should be short and concise, letting people know at a glance what the item is. Something like 50% Off Advertising, or One Free Item at ShopName
- **Item Description:** This is where you can enter a short blurb about your item. This is especially important with things that require further action on the claimer's part, like coupons
- **Image:** Some items require an image. This should be something simple and eye catching, making it easy to see what the item is and why it's appealing. Image dimensions are 300x198
- **Item Link:** If your item requires a link to use or claim, enter it here
- **Item Price:** If you are donating Ray, this is the price PER GIFT, not the total amount you will donate over time. So if I want to donate a total of 1000 Rays, with each person getting 100, I'd enter 10 here
- **Maximum/Enter Maximum Items:** For Rays, this is the the total amount you want to donate divided by the amount you entered in Item Price. So if I want to donate 1000 Rays, with each person getting 100, I'd enter 10 here
 - **Unlimited** will still only allow one item per member, but any number of members can claim it: the supply will never run out

- **Limited QTY** will allow you to set a maximum number of that item to donate - for example if you only want to give out 10 copies of a shirt, you would set this to 10. The Quantity Distribution setting lets you choose if it will go to the first 10 members to claim, or if it will appear to random members
- **Limit Per Hour/Day** will let you set a maximum number of copies distributed within a set time period. For example, if you want to give out one shirt per day, until all 10 are gone.
- **Item is Active:** This toggles whether the gift will show in the bag for people to claim. You can deactivate a gift any time by unchecking this box. This is also useful if you want to add multiple items to a bag, but don't want them to be claimed until a certain time. In that case, leave the box unchecked, then come back and activate the gift when you're ready.

3. Check the 'Item is active' box or the item won't show up for other members!

4. Click Submit
