What happens when I throw my friends into one of the most bizarre games I've ever played? Chaos! Madness! People eating Blake! Simon feeling funky! Noelle brushing her teeth in battle!

This won't be a full log of my Earthbound run, but it will be a screenshot dump for all the odd moments this is bound to create. And we're off...

Yeah!

Noelle 09/25/2016 11:19 AM ·Spoilers

Sounds like me.

Ed™ 09/25/2016 11:21 AM

Going from a wolf to a dog is a demotion? Eh, maybe. But five minutes in and my immortal canine companion is already tearing the neighborhood animals to shreds. Echo is man's best friend, no doubt...

3

Ed™ 09/25/2016 11:32 AM

Pokey! What do you have against Blake? HE'S A NICE PERSON!

Echo's role is already over for the entire game. Oh well.

Yeah!

Ed™ 09/25/2016 11:40 AM

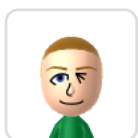

The main reason this subpar log exists.

Here you go, Chris. For the wiki...

Yeah!

Don't forget the fact that you'll be using your mind to blast enemies with the awesomeness that is me.

Yeah♥

Commenting for notifs. It's gonna be good.

Ya know I'm gonna comment for notifs.

You kidding? Simon is always feeling funky.

+ Yeah!

4

Blake 09/25/2016 6:22 PM

Half of me wants to comment for notifs, but the other half is afraid of being eaten... How about you just remember to not eat the half of me that doesn't want to be eaten.

+ Yeah!

Don't you remember? I got a Noelle in a bottle, and pressed C-Down to feed it to you. Alternatively, I could have pressed C-Left to dump it in the ocean.

+ Yeah!

Hey Noelle's the talk of the town in Onett. She's practically famous! Though nobody knows why... Huh.

Yeah!

Elzonire 09/26/2016 12:56 PM

She's probably famous for that Noeloren story some guy wrote a while back.

Pirkle? No, you're Mayor Chris!

Sorry Blake, but I chowed down on many hearty part-fish meals while grinding for Frank. I'm not one for seafood, but I must say you make an excellent meal...

+ Yeah!

I was reading the last couple comments of one of your posts, Ed.

Adding onto that or whatever, I have horrible social skills, or something like that.

Which isn't a very good thing when everybody expects me to talk and stuff.

I always end up saying something wrong or leaving out words or letters...sometimes I get so nervous I end up not even saying anything at all. xD

Not related to the name game, but I'd like to give a shoutout to one of my favorite enemies in the game... The text says it all: it's an aggressive tree with mind powers. Plus it spontaneously combusts when you whack it with a baseball bat!

I have no idea how realistic a move this is. Would Simon really abandon a cookie in favor of his stock of bread rolls? Or is the tempting chocolate goodness worth losing the extra HP? The world may never know...
