An update that will hopefully make my previous Bobopolis level smoother.

Yeah, that one's better. Not that the other was bad.

Better. But keep in mind that even DKC courses have rest stops, even if temporary...

Most of them do, but did the real Bopolis have any? I can't remember.

I'll keep that in mind, when I make longer levels like this it probably wouldn't be a good idea for the whole thing to be non-stop.

 Yeah!
